## Tenant of the Month is Ricardo

I am Ricardo, Director. I live at Madison SoHo community and have been a tenant with Ken's Corporate Housing for less than 6 months. Overall, I am very satisfied with Ken's Corporate Housing. The company has been very responsive to my questions and concerns about the property. I am extremely likely to recommended this company to a friend or colleague.

Overall, the quality of my customer service experience is very positive. The time it took to address my questions and concerns were about what I expected. This company is good at follow up and is detailed oriented.
