GOD'S LEADERS & KINGS - ALL IS FOUND

Date November 4, 2026

Frosty Passage:

The First King of the Frozen Kingdom:
1 Samuel 9:15-27 & 10:1

The Story So Far:

At the beginning of 1 Samuel 9, Saul is introduced. He looked like a king; he was tall and handsome. God had heard His people asking for a king, and He told Samuel that He would send a man from the tribe of Benjamin to be their leader.

God chose Saul and told Samuel to anoint him as king. Samuel met Saul, spent time with him, and anointed him with oil to show that he was the **chosen king of Israel**. God had a plan to use Saul to lead His people and help rescue them from their enemies. Even though Saul looked like the right choice on the outside, we learn that what matters most is not how someone looks, but that they are **chosen by God and follow Him**.
