- Homework for Commission: to review the edited statements and provide feedback.

Bylaws

- Tabled until next meeting.
- Sample bylaws will be sent to the group for consideration.

Committee Guidelines & Alignment

- Jabari will schedule a meeting with co-chairs.
- Jabari will plan to attend all upcoming committee meetings.
- There is a need for committees to understand how to run meetings and which business should take place at each meeting.
- Jabari will share his strategic plan which will help committees better understand their work.
- Overview of flowchart: commission members represent the community’s needs and interests. Jabari takes the feedback to higher-up leadership to work on solutions. Commission members may be called to volunteer to attend meetings, staff events, but substantive work is done by LGBTQ Liaison. Commission members should not feel like project managers.
