Dear Madam:

Honorable Don B. Colton has requested this office to furnish you all available information regarding the pilgrimage to the cemeteries in Europe, authorized by the Act of Congress of March 2, 1929.

For your information there is enclosed herewith a copy of the Act of March 2, 1929, together with a circular of information relative thereto. You will note that the only way you could make the pilgrimage at the expense of the Government would be if you could qualify under the provisions of Section 4 (a) of the Act, which states in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces for the year prior to the commencement of his service in such forces".

It has been held that within the meaning of the law a person cannot stand in loco parentis to an adult unless such adult is mentally or physically incapacitated. No man who was mentally or physically incapacitated was accepted for service in the military or naval forces. Inasmuch as your brother, the late Private Herman Baker, Company E, 58th Infantry, who is buried in the Aisne Marne American Cemetery in France, was an adult at the time of the commencement of his service, his age having been 28 years, no person could have stood in loco parentis to him for the year prior to his entry into the service. Therefore, I regret to advise that you are ineligible within the meaning of the law, to make this pilgrimage at the expense of the Government.

Very truly yours,
