GIVE IT EVERYTHING KIA

Part #: UC200 PM001

IT STARTS WITH A VICTORY LAP.

With two new race-inspired GT trims, the 2020 Forte is as at home in Daytona Beach as it is maneuvering around town. Available features include a powerful 201-hp turbocharged engine, an independent rear suspension, sport-tuned dual exhaust, and sport side sills with black high-gloss trim — plus advanced technology and premium features that give every Forte its confident attitude.

THE BIRTHPLACE OF SPEED.

The hard-packed sands of Florida beaches were the ultimate proving ground for America's early auto enthusiasts. The first speed trials took place in 1903 on Ormond Beach, stock car racing debuted in 1922 on Daytona Beach, and today, more races are held at Daytona's world-famous speedway than at any other track in the U.S.
