2026

Forester

Love. It's what makes Subaru, Subaru.®

SUBARU

Meet the 2026 Subaru Forester

Love begins with trust.

With standard Symmetrical All-Wheel Drive and innovative safety features, the 2026 Subaru Forester combines rugged reliability and security with premium performance. Add more to your adventure with the completely redesigned Forester Wilderness, featuring 9.3 inches of ground clearance for confidence on the road—and off.

Love of adventure, elevated.

Featuring a completely redesigned exterior and interior, the all-new 2026 Subaru Forester Wilderness delivers off-road performance with sophisticated style.

Information current at time of printing.

1 Maximum towing capacity varies by trim level. Trailer brakes may be needed. Do not use with any type of weight-distributing hitch as their usage has not been validated to work with Subaru vehicles. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror and X-MODE, may not function properly during towing. See your Owner's Manual for details. 2 SiriusXM 4-Month Trial: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 3 EyeSight® is a driver assist feature that may not operate optimally in all weather and road conditions. Drivers always remain responsible for safe and attentive driving. See Owner's Manual for details on system operations and limitations. 4 Activation with subscription required. Credit card required for specific packages for renewal purposes. Not available in all states. See your Subaru retailer for details. 5 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 6 Automatic Emergency Steering requires Blind-Spot Detection. Availability varies by trim level. See your Subaru retailer for details. 7 Foot activation function not operable when equipped with accessory tow hitch. See your Subaru retailer for details. 8 This system is not a substitute for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 9 Premium paint at additional cost. See your Subaru retailer for details. 10 Interior swatch image also depicts Black/Gray Sport Onyx StarTex®.
