Generations Performing Arts Center - Monthly Newsletter

FALL IN LOVE WITH DANCE!

Welcome to February at Generations, where recital season is in full swing! Since returning from the break, our students have gone straight to work on their recital dances. A video of your child's routine can be found in your parent portal under the student's name. The link will not change- even if the videos are updated during the season. If you need help accessing these videos, please contact our office. We strongly encourage that our students get an early start on practicing at home! Daily practice will make for a perfect execution at recital, and that is what we are aiming for! Let's get to work!

- May 22nd : Come watch us perform at 4th Friday!
- May - August : Summer Dance Camps

SUMMER CLASSES

Registration for our summer session opens March 1! This short, 3-week session is a great opportunity to make meaningful progress in your dancing or try something new. We encourage all of our students to take advantage of this chance to keep moving, learning, and improving with us this summer.

SUMMER DANCE PROGRAMS

Generations PAC offers a variety of dance opportunities throughout the summer. These programs are a great way for students to experience more focused training during a time where they can put an emphasis on dance or try out new styles of dance with a shortened commitment. More information on our summer programs will become available soon! For now, check out the themed camps that we are offering throughout the summer! Students can expect to participate in a week of a variety of fun, themed activities including games, crafts, a small snack time, and of course lots of dancing! Themes include Princess, K-Pop Demon Hunters, Taylor Swift, Bluey, Wicked and MORE! Registration is available now in your Parent Portal.

FATHER-DAUGHTER DANCE CLASS

Join Miss Heather in this special Father-Daughter class to work on a dance performed with your daughter in the recital! This is a beautiful opportunity for Generations fathers to take a special interest in their daughters' love for dance. This class will meet on Thursdays from 8:00-8:45 PM beginning March 5th in Studio B. Couples will continue to meet each Thursday until the recital in May. Dancers and their father will be invited to attend the recital pictures for individuals and to be included in the group photo. The cost is $190 for the season (this includes a rental costume for the dancer), plus an additional $75 for multiple daughters participating. Enrollment will become available in your Parent Portal on February 16th!
