La bellezza è tradizione. L'antica arte vetraria veneziana tramanda la sua eccellenza riconosciuta in tutto il mondo. L'originale tecnica della graniglia regala sorprendente profondità materica con piccolissimi frammenti mai uguali, che rendono unico ogni pezzo. L'eredità storica dei lampadari di cristallo di Bohemia disegna grandi candelieri dai bracci in vetro soffiato di Murano lavorato a mano. La trasparenza del vetro espande la luce, mostrando il bello della purezza.

Beauty is tradition. The ancient and universally respected craft of Venetian glass making still thrives today. The traditional technique of 'graniglia' adds surprising depth to glass objects using tiny, never-identical fragments to make every object unique. The classical heritage of Bohemian crystal inspired these large chandeliers with arms in blown and hand-finished Murano glass. The amazing clarity of this glass magnifies the light and conveys the true beauty of purity.
