Tabernaculo Biblico Bautista - Hispanic Plants

Lynden | Birch Bay | Kendall | Sedro-Woolley | Demin | Nooksack | Maple Falls Mt Vernon | Sudden Valley | Acme | Blaine| Bellingham | Everson | Ferndale & more!

Church planting has exploded in the Northwest corner of Washington in the last several years. Church plants have been started throughout the region. Many of these plants are house churches on the farms where the people attending are employed. God has granted great favor, and many have come to faith, been baptized, and become a part of new churches. In addition to the plants, leaders are being trained by the Hispanic Biblical Institute to be pastors. Pray for the work of the Gospel to continue to be planted in this area and beyond. The overall planting ministry work is led by Ivan Montenegro, but he has many pastors he has raised up and trained that he is deploying to lead the plants.

Ivan Montenegro
360.308.3363 | ivanmontenegro@hotmail.com

UChurch

Puyallup, WA
