We have a variety of other school necessities such as pencils, rulers, folders, 3 ring binders, erasers, pencil sharpeners, mini stapler sets, locker mirrors, locker white boards, stickers and note cards for prices ranging from 25¢ to \$3.00.

We also offer a variety of balloons for special occasions. Please note, due to a severe Latex allergy, we are **no longer** offering the 1 Mylar and 2 Latex balloon bouquets. Instead, we will be offering the following balloon specials...

- 1 Mylar with candy bag weight - \$3.00
- 1 Mylar (special design) and 1 Mylar (plain color) - \$5.00

We appreciate your understanding as we desire to continue the balloon-a-grams but need to be considerate of the latex allergy at BCS. Also, please know that while we try to keep the balloons that are on the web site in stock, there are times in which we may have sold out of a particular style and therefore we may have to substitute a similar style. We are ordering new balloons and designs as we get low on the styles we have in stock.

In addition to all the above items, we also offer a variety of gift and novelty items such as jewelry, novelty notebooks, photo clips, sports balls, and jump ropes. Again, we add new items frequently, so it's always a good idea to stop in and see what we have.

A final reminder, the Patriot Pit Stop is open daily from 8:00-8:20 and as needed during lunch times.
