### Real Rock Worldview Built on the Word of God

#### Course Description

This course is the sequel to Worldview 101, and will equip Christians to develop a biblical worldview by better knowing the Word of God. Jesus urges us to build our lives upon the rock (i.e., His teachings) so that we can weather the storms of life. When finished with the course, we should have a deeper understanding and appreciation for the Scriptures, **real rock** that becomes the strong, sure foundation of our lives.

#### Course Objectives

There are four main objectives for this course. While pursuing this study, we should...

- 1) **know** more about the Scriptures; as we
- 2) **sow** greater Truth in our daily thinking; so we can
- 3) **grow** increasingly disciplined to apply the Scriptures; and then
- 4) **show** further evidence of a transformed life.

#### Course Schedule

The class will meet on Wednesday evenings at 6:30 in the Chapel. Being that this course is based on Scripture, students must bring a Bible and something with which to write. Lesson handouts will be available each week, each session will be recorded and the CDs will be made available through our Media Ministry.
