Cuchara Association Membership Form 2019

_____ New Member _____Renewing Member Date: _____

The Cuchara Association was established in 1952 with its goal being the advancement of the social and civic welfare of the Cuchara Valley. The Association draws its members from landowners who reside between and inclusive of the Mountain Valley Road area and the Cuchara Pass Ranch area. The Association owns the wonderful historic Community Center aka “Rec Hall” and the tennis courts. We also support the summer recreation program and other community events. The Association dues are used to maintain the Rec Hall, the tennis courts as well as for the services of the Resident Secretary/Treasurer who maintains membership records, keeps the Community Center calendar and handles payment for utilities, taxes, and insurance and funds various activities and programs that are the center of community life in the Cuchara Valley.

Basic Membership _____ $50.00 Check Number _____
