LOOKING BEYOND THE SURFACE

LUKE 19:1-10

BIBLE STUDIES FOR LIFE®

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

PEOPLE

No one has the right to define who we are— our true identity comes only from God.

THE QUESTION

What does Jesus want us to understand about how we see and treat others?

THE POINT

Jesus sees and pursues us, giving us great worth regardless of how others perceive us.

MEMORY VERSE

"For the Son of Man has come to seek and to save the lost."

Luke 19:10, CSB

What should I consider when leading students in this discussion?

Students live in a culture of "labels." This person is this or that person is that. It's vital students see that no one has a right to "label" them except God.

We must encourage students to go to Scripture for identity and value. What God says about them is what is true. He sees, knows, and loves us.

How can I pray for students this week?

PRAY

Pray that students would know God sees and values them. We are created in His image.
