# LEADER TRAINING

**FALL 2026**
Unit 3, Session 1

## REFLECTING GENEROSITY

**GENESIS 13**

BIBLE STUDIES FOR LIFE®

## What are students discussing this week?

*LEVELS OF BIBLICAL LEARNING*

### FAMILY

When families experience brokenness, such as conflict, God desires to bring healing and unity.

### THE QUESTION

How can we show love to our family every day?

### THE POINT

We can show our love for our family by blessing others and meeting practical needs.

### MEMORY VERSE

"Get up and walk around the land, through its length and width, for I will give it to you."

***Genesis 13:17, CSB***

## What should I consider when leading students in this discussion?

Students don't own land that they can give freely to those in need. Plus, this is not how things work these days. Yet, the principle behind it is very relevant. We can see the needs of others and often do something (not everything) about it.

Students can also learn from Abram's example of looking to others' needs before their own. This is kingdom living and counter cultural.

## How can I pray for students this week?

### PRAY

Pray that students will serve those around them well this week.
