EXODUS 1:15–2:10

BIBLE STUDIES FOR LIFE®

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

FAMILY

Families are a part of God's plan for filling the earth with His image bearers and are responsible for providing for the needs of their members.

THE QUESTION

How can our choices help our family see that God is real?

THE POINT

Following God's will helps our family understand who He is and His promises.

MEMORY VERSE

The midwives, however, feared God and did not do as the king of Egypt had told them; they let the boys live.

Exodus 1:17, CSB

What should I consider when leading students in this discussion?

We must help students see that often their friends and peers will look to them before they ever open a Bible. What are our lives telling people about God?

Following God's will is one of the ways we reveal our belief and trust in God. The Hebrew midwives were in awe of God, and this changed everything for them.

How can I pray for students this week?

PRAY

Pray that students will minister to their families well by living out the promises of God.
