BIBLE STUDIES FOR LIFE®

## What are students discussing this week?

*LEVELS OF BIBLICAL LEARNING*

### FAMILY

Because we are meant to live in relationship, God's design is that we would experience love, acceptance, support, and guidance through our earthly family.

### THE QUESTION

How does God want us to treat our family?

### THE POINT

God wants us to help care for, love, and provide for our family.

### MEMORY VERSE

So he asked, "Who are you?" "I am Ruth, your servant," she replied. "Take me under your wing, for you are a family redeemer."

***Ruth 3:9, CSB***

## What should I consider when leading students in this discussion?

Family life can be difficult at times. The family situations of some students are challenging at best. But, as believers, we are called to see people (including family members) as image bearers.

When we see people as fellow image bearers, we care for, love, and provide for them in ways that God leads us to.

## How can I pray for students this week?

### PRAY

Pray that students will see that how we treat our family matters to them and also to God.
