REFLECTING GOSPEL INFLUENCE

JOHN 11:17-27

BIBLE STUDIES FOR LIFE®

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

FAMILY

God's children are part of a spiritual family, the church, where we experience love, acceptance, support, and guidance, and we find all of these perfectly in God, our Father.

THE QUESTION

How can our faith in God influence our family and others?

THE POINT

A family that follows Jesus can help others see and accept Him as Lord and Savior.

MEMORY VERSE

"Yes, Lord," she told him, "I believe you are the Messiah, the Son of God, who comes into the world."

John 11:27, CSB

What should I consider when leading students in this discussion?

How we live influences the people around us. Help students see that we have family members and neighbors we can influence for the gospel. Faith has the potential to be contagious.

Additionally, help students see that the ultimate point of our faith and influence is to win others to the Lord.

How can I pray for students this week?

PRAY

Pray that students will be bold for the sake of the gospel.
