1. **Welcome and announcements.** Charlyn Robert, chair, welcomed the committee members and introduced Terri Deike.

   Review of the April 2012 teleconference report. The NCAA Division III Membership Committee reviewed its April 12, 2012 teleconference report.

2. **New England Compliance Seminar pilot survey.** The committee provided feedback on the draft survey and suggested two additional questions. The committee recommended that the survey include questions identifying an individual's employment classification (i.e., full or part time) and the impact, if any, of the five-person attendance limitation. These questions will enhance the survey and help the committee evaluate the pilot based on previously determined criteria. The committee remains active in working with the eight conference commissioners to develop a tool to evaluate this pilot.

3. **Revoking multidivisional classification –Rutgers University, Newark.** The committee reviewed an application submitted by Rutgers University, Newark, to reclassify its men's volleyball program from NCAA Division I to Division III. The committee approved the institution's request noting that, per NCAA Bylaw 20.4.3.2 (compliance with criteria) Rutgers, Newark men's volleyball program must comply with all Division III legislation for two years before it is eligible for Division III championships.

4. **Other business.** None.

5. **Commencement and adjournment.** The committee meeting commenced at 1:03 p.m. Eastern time and adjourned at 2:03 p.m. Eastern time.
