BIBLE STUDIES FOR LIFE

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

SALVATION ✝

Before the beginning of time, God's plan for salvation centered on Jesus's death and resurrection, which made salvation possible.

THE QUESTION

What does the announcement of the birth of Jesus reveal about God's activity?

THE POINT

In Jesus, we experience the presence, purpose, and power of God at work.

MEMORY VERSE

"See, I am the Lord's servant," said Mary. "May it happen to me as you have said." Then the angel left her.

Luke 1:38, CSB

What should I consider when leading students in this discussion?

God is real. This seems like a simple statement, yet it's often forgotten, dismissed, or not believed fully. Through the birth of Jesus, we can help students see that Jesus is not only real but is active in their lives.

The story of Jesus gives our lives meaning and purpose. Often, students will ask question like, "What is the purpose of my life?" In Jesus, we see He gives meaning and purpose.

How can I pray for students this week?

PRAY

Pray that students would experience the presence, purpose, and power of God at work in their lives.
