LEADER TRAINING

WINTER 2026-27
Unit 1, Session 4

GOD'S UNCHANGING NATURE

LUKE 2:25-35

BIBLE STUDIES FOR LIFE

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

SALVATION ✝

We can be confident in our salvation when we live in obedience to God and in ways that reflect Jesus.

THE QUESTION

Why is it important for us to rely on God's promises?

THE POINT

Like Simeon, we too can take comfort in God's unchanging nature because He always fulfills His promises.

MEMORY VERSE

For my eyes have seen your salvation.

Luke 2:30, CSB

What should I consider when leading students in this discussion?

Change is constant. Students see people, situations, and circumstances change daily. When driven by emotions and feelings, students can get lost in the chaos. Help students see God does not change. Scripture promises He is the same yesterday, today, and forever.

God's unchanging nature provides us comfort and assurance. Help students see that He is close and near, and nothing will change this reality.

How can I pray for students this week?

PRAY

Pray that students would know in an ever-changing world that our heavenly Father is a steady presence.
