BIBLE STUDIES FOR LIFE

WINTER 2026-27 | Unit 2, Session 1

FAMILY CONNECTION

Let this resource help equip your family to live out your faith together from Sunday to everyday—regardless of age or stage.

JESUS HEALED BARTIMAEUS
MARK 10:46-52

LIFE POINT: All people are important to God.

LIVE IT OUT

Review the Bible story and 1 John 4:9 together. Look through the Bible with your child and find other stories about Jesus' healing of the sick. Remind your child that Jesus showed the importance of people through His actions.

STUDENTS (Middle–High School)

JESUS SEES
MARK 10:46-52

THE QUESTION: How does the awareness that Jesus sees us change our lives?

THE POINT: Jesus sees us and wants us to respond with faith.

LEVEL OF BIBLICAL LEARNING: COMMUNITY AND WORLD

God loves all people—born and unborn, young and old, male and female, all ethnicities, and those of opposing faiths.

MOVING FORWARD

Take some time to do a heart evaluation on how you see people. Consider writing down or thinking through the last three people you had a meaningful conversation with. Were you gracious with them like Jesus? Or did you see them as a hindrance?

ADULTS (Young Adults–Senior Adults)

UNIT: Jesus, God with Us

SESSION: The Maturity of Jesus the Teacher

LUKE 2:39-50

CONCEPT CATEGORY:
View of God—JESUS

IN FOCUS

Jesus's early life reflects His divine identity and sinless character.

CONCEPT STATEMENT

Jesus was conceived by the Holy Spirit and born of a virgin. He did not inherit the sinful nature passed down from Adam, which made Him fit to be our Savior.

LIVE IT OUT

As Jesus grew, He became increasingly focused on the mission God had given Him. Though fully divine, He matured as a human and modeled what it looks like to live a life wholly surrendered to God.
