JESUS TRANSFORMS

JOHN 4:7-26,39

BIBLE STUDIES FOR LIFE®

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

COMMUNITY AND WORLD

God continues to work in the world, and as we join Him in this work, He uses people to accomplish His eternal purposes.

THE QUESTION

What difference does knowing about Jesus make compared to experiencing Him?

THE POINT

Knowledge of Jesus is good but experiencing Him changes our lives.

MEMORY VERSE

Now many Samaritans from that town believed in him because of what the woman said when she testified, "He told me everything I ever did."

John 4:39, CSB

What should I consider when leading students in this discussion?

Churched students can often fall into the "I know the right answers" mindset. Just because they know a lot of about Jesus does not mean they are walking with Jesus. Remember, the knowledge of the coming Messiah had not changed the Samaritan woman.

Help students see that it's what they do with the truth of God's Word that brings real transformation. Knowledge is good, but Jesus did not come so we would know more. He came to change our lives.

How can I pray for students this week?

PRAY

Pray that students will experience Jesus in their lives and that it causes them to live differently.
