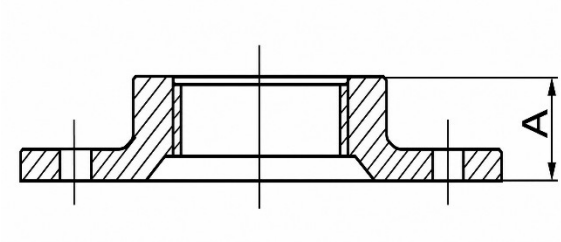
Galvanized Floor Flange

Applications:

Designed for residential, commercial, and industrial threaded piping systems. Galvanized malleable iron fittings connect pipe in potable water, air, and general utility applications where added corrosion resistance is desired, subject to applicable codes and system requirements.



Product Feature:

- Class 150 malleable iron fittings
- Available in sizes from 1/4" thru 2"
- Threaded connections for reliable pipe assembly
- 100% pressure tested prior to leaving the factory
- Galvanized zinc coating for added corrosion resistance
- Designed for residential, commercial, and industrial piping applications

Materials:

- Body: Malleable Iron
- Finish: Galvanized Zinc Coating
- Pressure Class: 150
- Connection Type: Threaded NPT

Certifications/Listings/Approvals:

- UL Listed
- FM Approved
- ASTM A197/A197M
- ANSI/ASME A153/A153M
- ANSI/ASME B16.14
- ANSI/ASME B1.20.1
- NSF/ANSI 61
- NSF/ANSI 372
