BIBLE STUDIES FOR LIFE

What are students discussing this week?

LEVELS OF BIBLICAL LEARNING

COMMUNITY AND WORLD

We demonstrate honor to God when we respect the earthly authorities God has placed in our lives.

THE QUESTION

How can we help others know how to live as faithful followers of Jesus?

THE POINT

Our lives can be a living testimony to faithfully following Jesus, using Scripture as our guide.

MEMORY VERSE

All Scripture is inspired by God and is profitable for teaching, for rebuking, for correcting, for training in righteousness, so that the man of God may be complete, equipped for every good work.

2 Timothy 3:16-17, CSB

What should I consider when leading students in this discussion?

Help students see that they may be the first impression people have of Jesus, church, and the Bible. This should not add pressure on them because God can work despite our flaws, but students must remember people are watching how they live their lives.

Remind students that the perfect Word of God is what drives everything we do. Scripture teaches, guides, and convicts us.

How can I pray for students this week?

PRAY

Pray that students will be living examples of what God has done and continues to do in their lives.
