FOR IMMEDIATE RELEASE
November 24, 2026

College Sports Communicators Academic All-District®
Women's Soccer teams announced for NCAA and NAIA divisions

The 2026-27 Academic All-District® Women's Soccer teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances on the field and in the classroom. The CSC Academic All-America® program separately recognizes men's soccer honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

The CSC Academic All-District® teams include the student-athletes listed on the following pages.

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot.

Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members. First-, second- and third-team Academic All-America® honorees will be announced December 16, 2026.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2026-27 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.

The 2026-27 academic year marks the 75th year of the Academic All-America program since its founding in 1952. For more information about CSC Academic All-District® and Academic All-America® Teams program, visit AcademicAllAmerica.com.
