# A Bill to Repurpose Nuclear Weapons

BE IT ENACTED BY THE CONGRESS HEREIN ASSEMBLED THAT:

**SECTION 1**. All tactical nuclear weapons owned by the United States will be decommissioned and reconstructed into uranium fission reactors in an effort to cooperate with international law and lessen climate change effects.

**SECTION 2**. A. Tactical nuclear weapons (TNWs), also known as non-strategic nuclear weapons (NSNWs) are defined as low-yield weapons used in specific battlefield circumstances.

B. Other nuclear warheads (i.e., SLBMs and ICBMs) will remain in current storage systems and will not be affected by this legislation.

**SECTION 3.** A. The Department of State will be responsible for safe dismantling of the weapons.

B. The Department of Energy and the Nuclear Regulatory Commission will be in charge of ensuring operational reactors by 2032.

**SECTION 4.** This bill will take effect January 1, 2027. Any laws in conflict with this legislation are hereby declared null and void.

# A Bill to Improve Public Health

BE IT ENACTED BY THE CONGRESS HEREIN ASSEMBLED THAT:

**SECTION 1**. All working individuals must be fully vaccinated against the following to be eligible to work: DTaP, polio, varicella, diphtheria, tetanus, pertussis, measles, mumps, hepatitis A, hepatitis B, rubella, the HPV vaccine series, influenza, and COVID-19.

**SECTION 2**. The following terms are defined:

A. vaccine: a substance used to stimulate immunity to a particular infectious disease or pathogen, typically prepared from an inactivated or weakened form of the causative agent or from its constituents or products.

**SECTION 3.** The Department of Health and Human Services (HHS) and the Department of Labor (DOL) shall oversee the implementation and enforcement of this legislation. Additionally, DOL and HHS will work together to develop additional resources and policies to continue improving public health. Working-age individuals who miss the required vaccinations will be ineligible to enter the workforce until they are vaccinated. Individuals may claim exemption from vaccination if they are allergic to the vaccines.

**SECTION 4.** This legislation will take effect on June 1, 2027. All laws in conflict with this legislation are hereby declared null and void.

*Introduced for Congressional Debate by St. Francis High School.*
