Safe Harbor Statement

To the extent any statements contained in this presentation of Jupiter Wellness, Inc. (the "Company") contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995 and the information that are based upon beliefs of, and information currently available to, the company's management as well as estimates and assumptions made by the company's management. These statements can be identified by the fact that they do not relate strictly to historic or current facts. When used in this presentation the words "estimate," "expect," intend," believe," plan," "anticipate," "projected" and other words or the negative of these terms and similar expressions as they relate to the company or the company's management identify forward-looking statements. Such statements reflect the current view of the company with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the company's industry, its operations and results of operations and any businesses that may be acquired by the company. Should one or more of these risks or uncertainties materialize, or the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended, or planned. Although the company believes that the expectations reflected in the forward-looking statements are reasonable, the company cannot guarantee future results, performance, or achievements. Except as required by applicable law, including the security laws of the United States, the company does not intend to update any of the forward-looking statements to conform these statements to actual results.
