Discovery Bible Passage Genesis 6-9

Truth Discovered God rescues His people and brings them out of darkness.

Truth in Action

I can trust God because He is always with me.

Discovery Recap

When God created the world, He made a perfect home where people could live with Him. But sin brought darkness into the world, and eventually the earth became filled with wickedness and evil. Noah wasn't perfect, but he loved and trusted the Lord. God told Noah that He would send a flood as the consequence for the sin in the world, but He would make a way to rescue Noah and his family.

God told Noah to build a huge boat called an ark and gave him specific instructions for how to build it. Noah trusted God and obeyed. Noah, his family, and the animals entered the ark, and God kept them safe as rain fell for 40 days and 40 nights and water covered the earth.

After almost a year on the ark, the land was finally dry. Noah and his family left the ark and worshiped the Lord. God promised never again to destroy the earth with a flood and placed a rainbow in the sky as a sign of His promise. God rescued Noah and his family, and many years later, God would send Jesus to rescue us from sin and bring us out of darkness and into His light forever.

Discover More at Home

God told Noah what was going to happen and how He would rescue Noah and his family, and Noah trusted and obeyed Him. The next time you see a rainbow, use it as an opportunity to remind your child that God always keeps His promises. Thank God together for being faithful and for sending Jesus to rescue us from sin and bring us into His light.
