# TAHOE 2018

CHEVROLET

Tahoe Premier in Siren Red Tintcoat (extra-cost color) with available features.

## *MAKE A STATEMENT.*

With bold styling and a confident, athletic stance, the 2018 Chevrolet Tahoe is designed to make an impression.

From the exceptional refinement of a finely crafted interior to the incredible capability of the EcoTec3 V8 engine, America's best-selling full-size SUV is built for confidence. Tahoe helps you stay connected and protected with innovative technology that complements advanced safety features. Tahoe was also named "Most Dependable Large SUV" by J.D. Power in 2017.[1]

And this year, stunning style, capability and responsiveness define the all-new RST Edition. When equipped with the optional 6.2L Performance Package, RST takes Tahoe to an entirely new level.

**FIND NEW ROADS™**

*1 The Chevrolet Tahoe received the lowest number of problems per 100 vehicles among Large SUVs in the J.D. Power 2017 U.S. Vehicle Dependability Study, based on 35,186 total responses, measuring problems experienced during the past 12 months by original owners, surveyed October—December 2016. Your experiences may vary. Visit jdpower.com/cars.*

**420**
MAX HORSEPOWER[1]

**460**
LB.-FT. MAX TORQUE[1]

**8,400**
LBS. MAX TOWING[1,2]

**Tahoe Premier in Summit White with available RST Edition.**

*1 With available 6.2L EcoTec3 V8 engine. 2 Requires 2WD. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 3 Late availability.*

***RALLY SPORT TRUCK.*** The all-new RST Edition delivers a seamless blend of style and performance. RST is instantly recognized by its body-color appearance with Gloss Black accents and features exclusive 22-inch wheels.

***6.2L PERFORMANCE PACKAGE.[3]*** For the ultimate in Tahoe performance, this available package features a roaring 6.2L EcoTec3 V8 engine delivering 420 horsepower and 460 lb.-ft. of torque. Plus, a new 10-speed Hydra-Matic® automatic transmission is designed to maximize engine power for responsiveness under acceleration.

***MAGNETIC APPEAL.*** Performance-calibrated Magnetic Ride Control,™ included in the available 6.2L Performance Package, is an adaptive suspension that reads the road every millisecond, delivering both improved body motion while cornering and exceptionally refined ride comfort while cruising.

***MASSIVE BREMBO BRAKES.*** This available performance brake system features front Red Brembo® 6-piston fixed aluminum calipers coupled with Duralife™ rotors that are larger than stock rotors. An 84% increase in brake pad area helps provide quieter braking and less vibration.

## *EXTERIOR DESIGN*

***1. TAHOE LT MIDNIGHT EDITION.*** Rugged meets refined in the available LT Midnight Edition. Hit the streets in style with eye-catching 20" Black wheels and bowtie emblems.

***2. WELCOME ABOARD.*** Black tubular assist steps add a striking finishing touch to the exterior of Tahoe with the available Z71 Off-Road Package.

***3. A BOLD FIRST IMPRESSION.*** With a Black mesh grille, a Black bowtie emblem and a trail-ready suspension, the available Midnight Edition is sure to command attention wherever it goes.

***THE LEGEND OF Z71.*** With its rugged suspension, 2-speed active transfer case, high-capacity air filter, 3.42 rear axle ratio, skid plates and Hill Descent Control, the available Z71 Off-Road Package can take you as far as you want to go. Add in Black recovery hooks, foglamps, 18-inch wheels with all-terrain tires, tubular assist steps, front sill plates and rubber floor mats with the Z71 logo, and you're not just ready to take on the off-road, you're ready to tame any road at all.

***DON'T BE AFRAID OF THE DARK.*** The available Z71 Midnight Edition, when combined with the optional Z71 Off-Road Package, turns Tahoe to the dark side with 18-inch Black-painted wheels, Goodyear DuraTrac® tires, a Black mesh grille, Black roof rack cross rails, and Black front and rear bowtie emblems.

**Tahoe LT in Black with available Z71 Midnight Edition.**

Tahoe Premier interior in Cocoa/Mahogany (extra-cost color) with perforated leather appointments and available features.

***1. POWER-FOLDING THIRD-ROW SEATS.*** The conveniently placed buttons allow Tahoe with power-release second-row seats and power-folding third-row seats to go from passenger space to cargo space in no time. Standard on Premier and available on LT.

***2. A PLACE FOR EVERYTHING.*** Important items are never out of reach with door storage for water bottles, umbrellas, maps and more.

***3. HIDE WHAT OTHERS SEEK.*** The 8-inch diagonal color touch-screen slides up to reveal a password-protected area behind the display with space for cell phones, wallets or other valuables. Additionally, a USB port[1] gives you one more place to charge your devices.

***4. A SUPERSIZED CONSOLE.*** The cavernous front floor console provides enough room for a laptop or other large items.

1

2

3

4

1 *Not compatible with all devices.*

***BE READY FOR ANYTHING.*** With the second- and third-row seats folded flat, you'll have 94.7 cu. ft. of cargo space.[1] That's more than enough room for everyday use or a week-long road trip.

***ROOM FOR THE WHOLE TEAM.*** There's space available for up to nine passengers, with the option of second-row bench or bucket seats, and second and third rows that fold flat, so Tahoe can handle whatever twists and turns come your way.

***GRAND OPENING.*** Standard on Premier and available on LT, the hands-free programmable power liftgate ensures you'll worry less about the liftgate being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

**Tahoe Premier in Siren Red Tintcoat (extra-cost color) with available features.**

1 *Cargo and load capacity limited by weight and distribution.*

# TECHNOLOGY

**Tahoe Premier interior in Cocoa/Dune with available features.**

***Apple CarPlay™ COMPATIBILITY.***[1] Take some of your most used compatible iPhone® features and put them on your vehicle's touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps.

***MAINTAIN YOUR CONNECTIONS.*** Chevrolet offers OnStar 4G LTE plus an available built-in Wi-Fi® hotspot,[2] providing a fast and reliable connection with bandwidth for up to seven devices, offering a better in-vehicle experience than your smartphone.

***SIRIUSXM SATELLITE RADIO.***[3] Listen to over 150 channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk, and the hottest entertainment, 24/7, during the trial period. The available All Access Package lets you listen to all of it everywhere — in your vehicle, at home or in the office on your computer, or on your smartphone or tablet.

***YOUR PERSONAL PROGRAM DIRECTOR.*** Chevrolet MyLink[4] lets you program dozens of favorites, including radio stations, contacts, destinations (requires available Chevrolet MyLink Radio with Navigation[4]), music and other media.

*1 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 2 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. 3 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. 4 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.*

*Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries.*

***YOU'RE IN CHARGE.*** With as many as 14 charging locations, including an available wireless charging pad[1] and up to seven USB ports[2] to connect phones, tablets and other portable devices, you'll always be able to stay in touch with your world.

***SHOP.[3]*** Easily browse, choose and install select apps that enhance your driving experience so it gets better every day. Using your vehicle's touch-screen, you can customize your content with music, audiobooks, weather and more.

***LUXURY IS A HOT TOPIC.*** A heated steering wheel is standard on Premier and available on LT, offering warm comfort on a cold day.

*1 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit mychevrolet.com/learn for details. 2 Not compatible with all devices.*
*3 Visit chevrolet.com for details about Shop.*

4

*1 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. 2 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 3 Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for coverage map, details and system limitations. 4 Requires Wi-Fi connection and compatible device.*

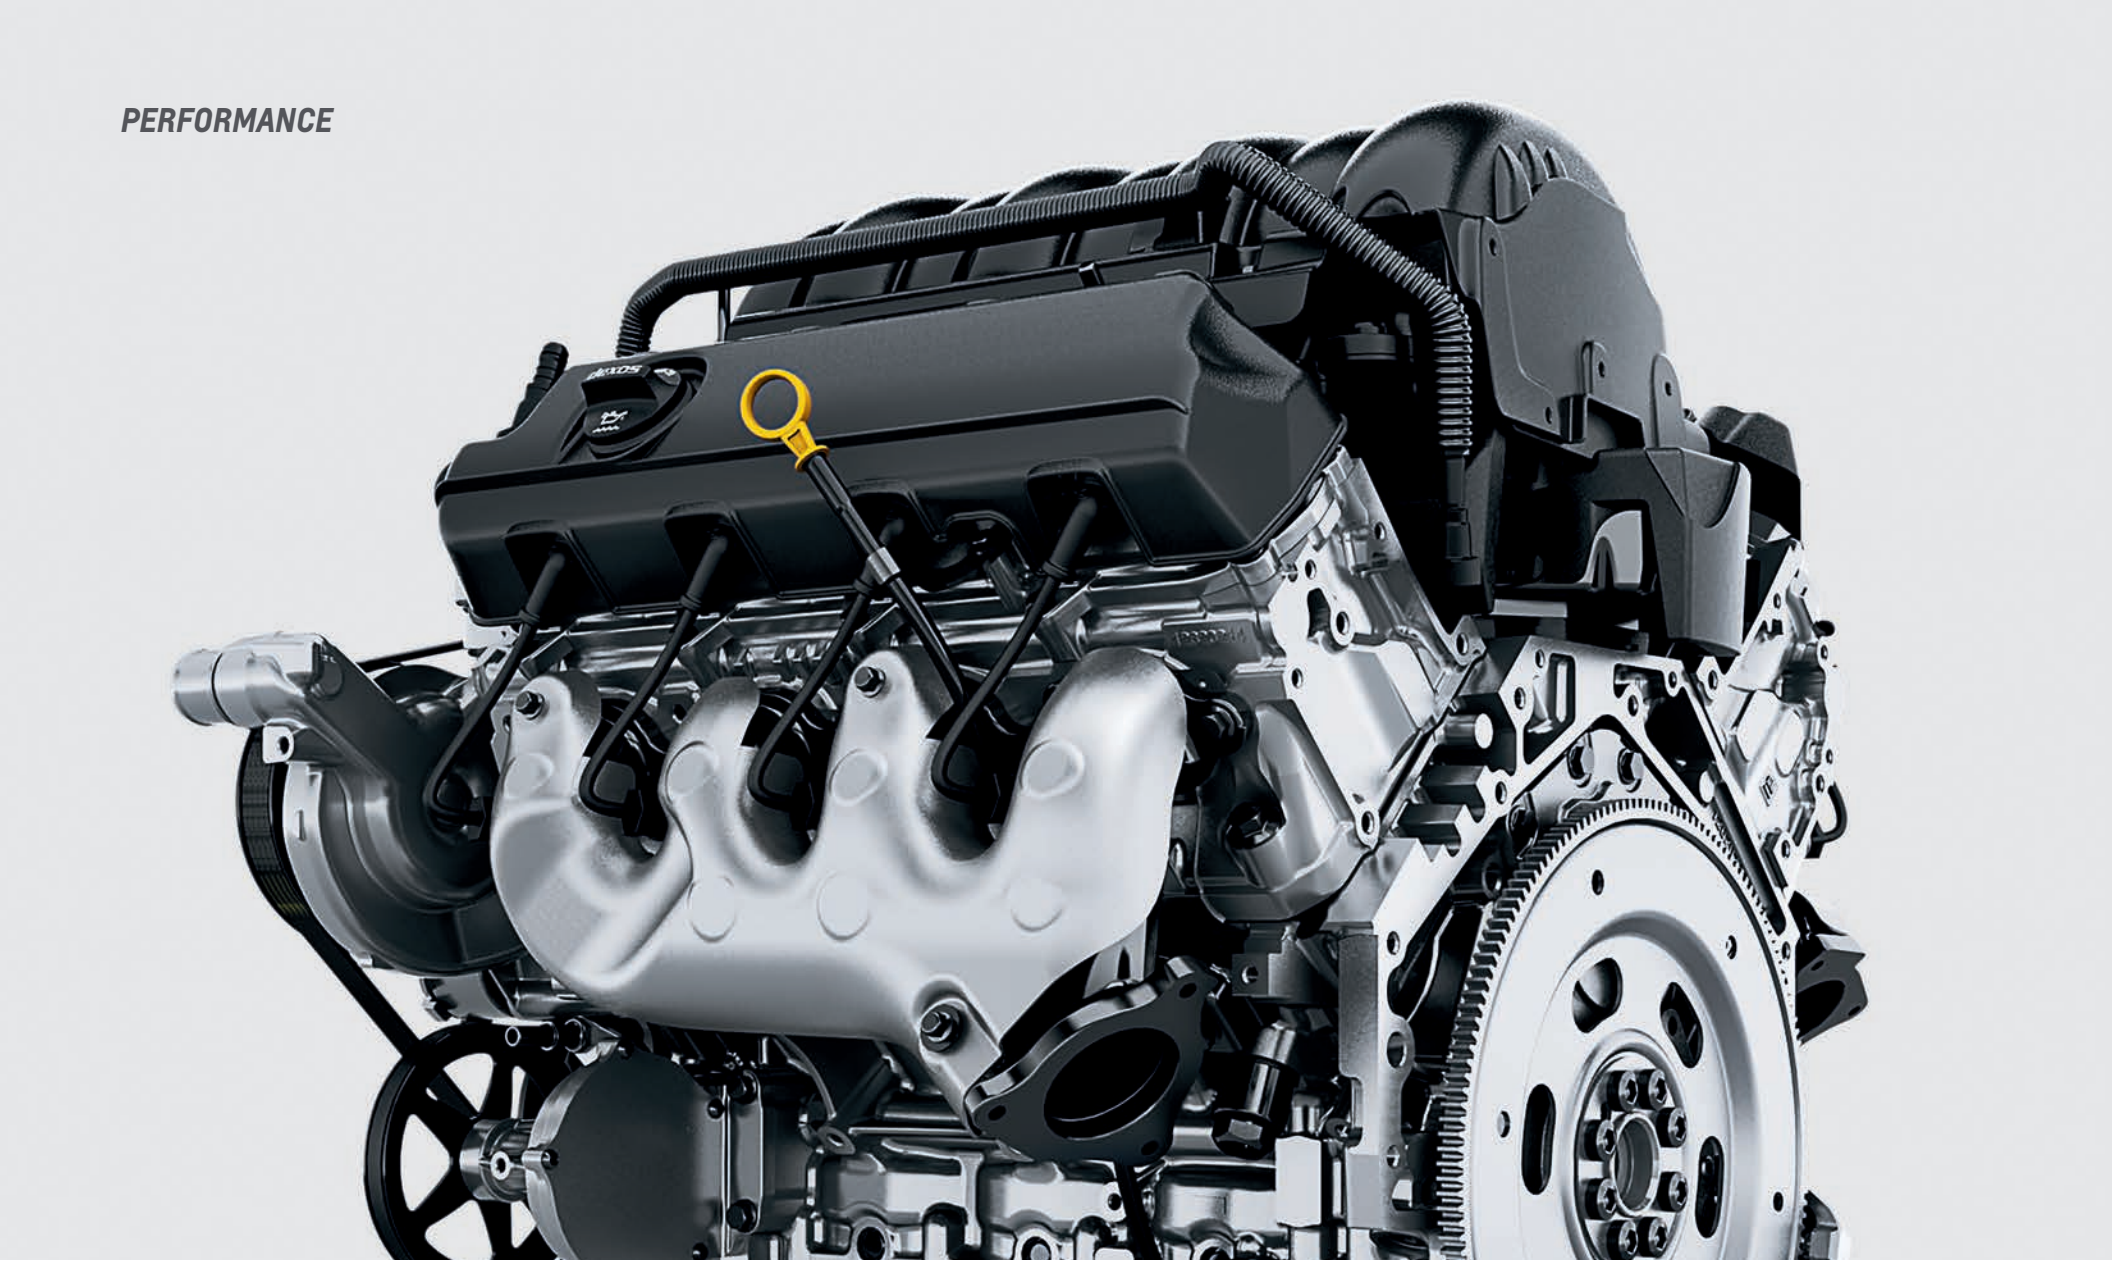
*Android, Android Auto, Google, Google Play and other marks are trademarks of Google Inc.*

***1. ANDROID AUTO COMPATIBILITY.***[1]
You can quickly and intuitively interact with select smartphone apps with support for Android Auto.™[1] This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink[2] display. You can access your navigation, phone, text messages, music and more.

***2. myChevrolet Mobile App.***[3]
Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors and send destinations to your available Chevrolet MyLink Radio with Navigation[2] screen.

***3. THAT'S ENTERTAINMENT.*** The available Rear-Seat Blu-ray® Entertainment System lets rear-seat passengers enjoy every drive with their favorite movies. With an HDMI connection and Wi-Fi,®[4] it's possible to project to the screen from your mobile devices.

***4. AN EYE FOR INFORMATION.***
The available color Head-Up Display projects information, such as speed and turn-by-turn navigation (if equipped), onto the windshield while you're driving so you can keep your eyes on the road. The Driver Information Center also provides critical data at a glance.



***THE ECOTEC3 ADVANTAGE.*** A trio of innovative technologies drive the 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency. Active Fuel Management™ deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Tahoe performs at optimum power and efficiency.

***MAGNETIC RIDE CONTROL.*** Tahoe Premier features Corvette-inspired Magnetic Ride Control, a real-time damping system that delivers a smooth, precise ride by "reading" the road a thousand times a second and changing damping in just 10–15 milliseconds.

***LEAVE NOTHING BEHIND.*** With an available maximum towing capability of up to 8,600 lbs[1], you can pull boats, trailers, ATVs or anything else you want to bring along.

*1 Requires 2WD, 5.3L EcoTec3 V8 engine and available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.*

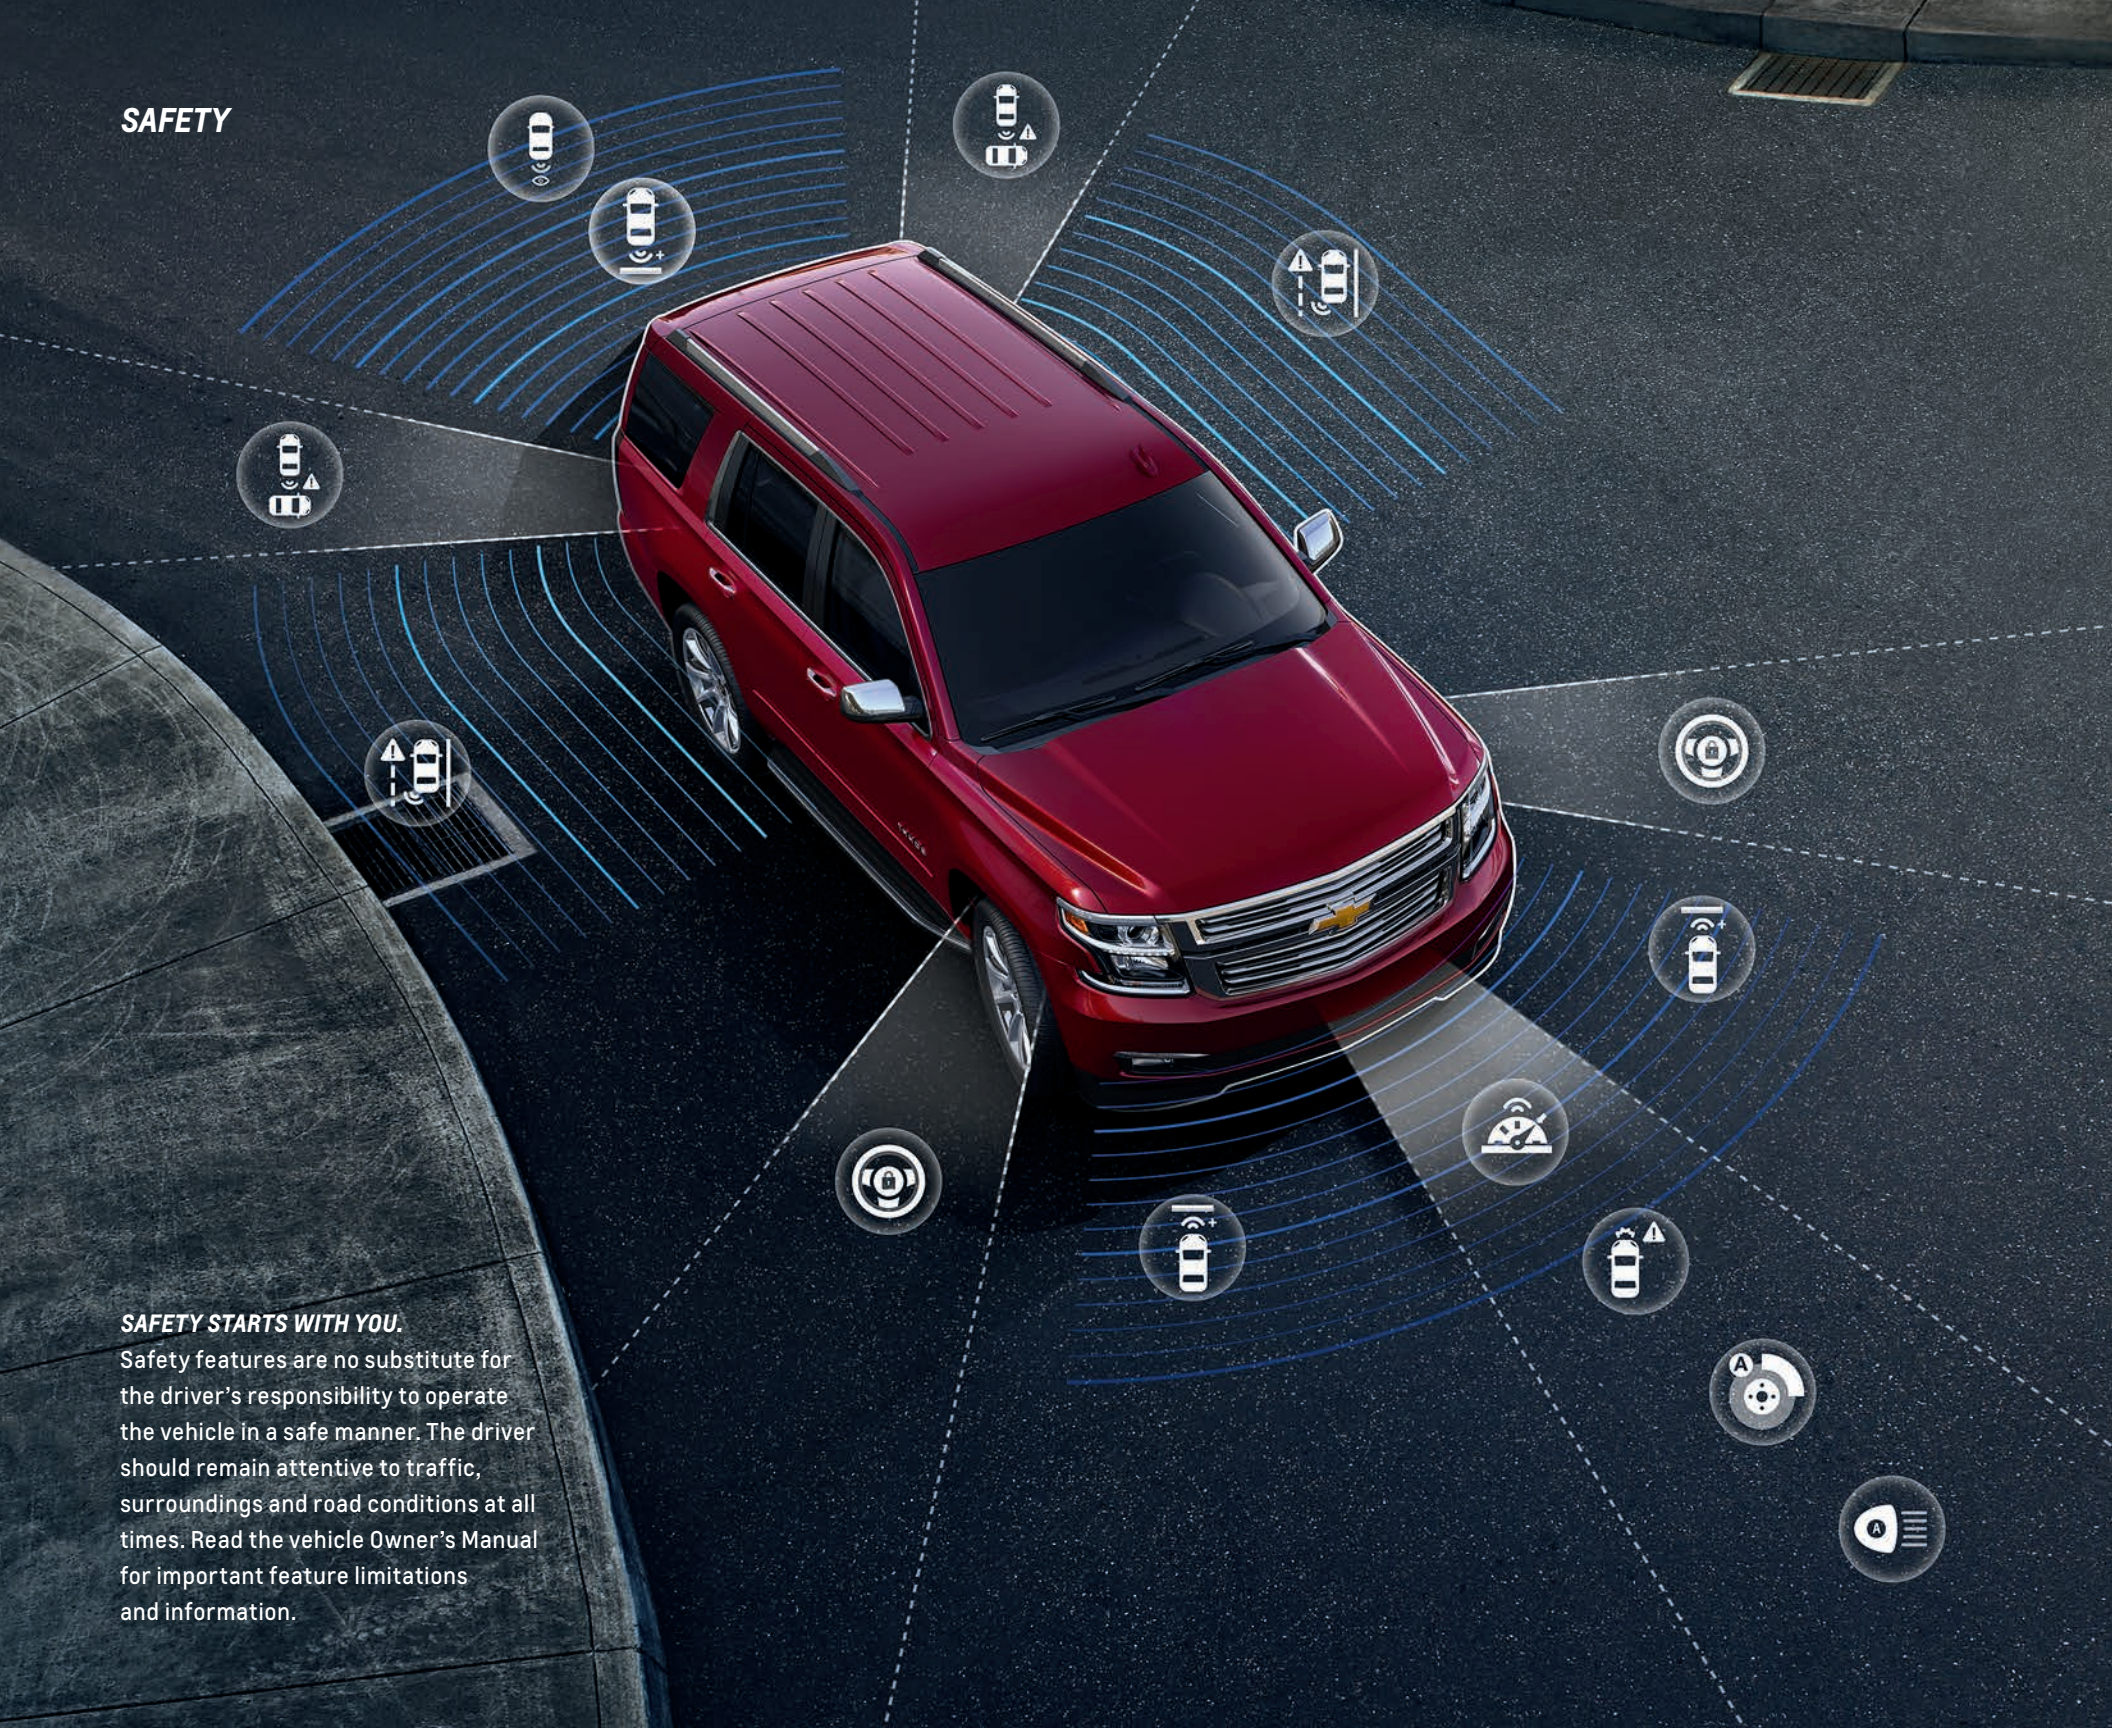
HIGHWAY FUEL ECONOMY[1]

1 *Based on available 2017 model year competitive information and GM Large SUV segment. EPA-estimated MPG city/highway: Tahoe 2WD 16/23, 4WD 16/22.*



***SAFETY STARTS WITH YOU.***
Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

# WE'VE GOT YOU COVERED.

***ADAPTIVE CRUISE CONTROL.*** This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap, reducing the need to frequently brake and accelerate.

***FORWARD AUTOMATIC BRAKING.*** If the system determines a front-end collision is imminent with a detected vehicle ahead, and the driver has not already applied the brakes, this available system automatically engages the brakes to help reduce the collision's severity. The system may even help avoid contact at very low speeds.

***LOW SPEED FORWARD AUTOMATIC BRAKING.*** If the vehicle is traveling at a low speed and this available system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, it automatically applies the brakes to help reduce the collision's severity. The system may even help avoid a collision at very low speeds.

***FORWARD COLLISION ALERT.*** This available feature helps identify vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Tahoe is following a detected vehicle much too closely.

***LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.*** At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

***AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT.*** Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

***REAR CROSS TRAFFIC ALERT.*** Using the same radar sensors as Lane Change Alert, this available feature alerts you to crossing traffic behind your Tahoe when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

***REAR VISION CAMERA.*** Standard on Tahoe, the rear vision camera displays a view of the area immediately behind the vehicle on the 8-inch diagonal color touch-screen — making it easier to see what's behind you while backing up.

***FRONT AND REAR PARK ASSIST.*** Ideal when pulling into a parking spot at low speeds, this available system senses stationary objects and warns you if an object is too close. As you shift into Reverse, the rear vision camera automatically displays a live image of the area behind the vehicle on the 8-inch diagonal color touch-screen and includes guiding lines to help when backing up.

***TEEN DRIVER.*** This technology helps encourage better driving habits in a number of ways. It includes an in-vehicle report card that displays the frequency of select available safety tech feature (if equipped) activations. It mutes the audio system when front-seat occupants aren't wearing their safety belts, and gives audible and visual warnings when the vehicle is traveling over a predetermined speed.

***INTELLIBEAM HEADLAMPS.*** When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

***SAFETY ALERT DRIVER SEAT.*** The available Safety Alert Driver Seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard avoidance systems.

***THEFT PROTECTION PACKAGE.*** Protect your investment with the available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

## SPECIAL FEATURES

Available Bose® Centerpoint® Surround Sound premium 10-speaker audio system.

Available power-retractable assist steps with perimeter lighting.

Rear vision camera.

Unique chrome mesh grille (dealer-installed) available with the LT Signature Package.

# SELECT VEHICLE FEATURES

## TAHOE LS

- 5.3L EcoTec3 V8 engine with Active Fuel Management, Direct Injection and Variable Valve Timing
- 6-speed automatic transmission with Tow/Haul mode
- Automatic locking rear differential
- Autotrac® single-speed active transfer case (4WD models)
- Electric Power Steering
- 4-wheel antilock disc brakes with Duralife brake rotors
- Frontal and side-impact air bags[1] for driver and front passenger, driver inboard seat-mounted side-impact Front Center Air Bag (requires front bucket seats) and head-curtain air bags for all rows in outboard seating positions
- OnStar Guidance Plan[2] with limited service trial, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling Minutes)
- Teen Driver technology
- Rear Seat Reminder[3]
- Power-programmable door locks with lockout protection
- LED daytime running lamps
- Projector-beam headlamps
- LED taillamps
- Outside heated power-adjustable manual-folding body-color mirrors with driver spotter mirror
- Active aero shutters behind front grille
- Rear vision camera
- Rear Park Assist
- Intermittent front wipers with Rainsense®
- Intermittent rear wiper with washer
- Black assist steps
- Capless fueling
- 18" aluminum wheels with high-polished finish
- Chevrolet MyLink[4] Radio with 8-inch diagonal color touch-screen display, Bluetooth® audio streaming[5] and AM/FM/HD Radio® with CD player, includes 5 USB ports[6] and auxiliary input jack
- SiriusXM Satellite Radio[7] All Access Package with 3-month trial subscription
- Bluetooth wireless technology[5] for select phones
- Steering wheel-mounted audio and cruise controls and Driver Information Center controls

## TAHOE LS (CONTINUED)

- Tri-zone automatic climate controls with individual climate settings for driver, right-front passenger and rear passengers
- Electronic cruise control with Set and Resume Speed
- Driver Information Center (DIC) with 4.2-inch diagonal multi-function color display
- OnStar 4G LTE and built-in Wi-Fi® hotspot[8] for up to seven devices, includes data trial for 3 months or 3 GB (whichever comes first)
- Interior lighting: Dome light, driver- and passenger-side door switch lighting with delayed entry feature, cargo lights, door handle- or Remote Keyless Entry-activated illuminated entry lighting, and map lights in first and second rows
- 11 charging locations including a 110-volt power outlet, 5 USB ports[6] and 5 auxiliary 12-volt power outlets
- Remote Keyless Entry
- Remote vehicle starter system
- Leather-wrapped steering wheel
- Floor console with storage area, cup holders and auxiliary input jack
- Overhead console with conversation mirror
- First- and second-row carpeted floor mats
- Fold-flat second- and third-row seats
- Underfloor storage with Cargo Management System in rear cargo area and cargo net
- Electric rear-window defogger
- Power windows with express-down, express-up for driver and front passenger
- Trailering equipment: Trailering hitch platform, 7-wire harness with independent fused trailering circuits mated to a 7-way sealed connector and 2-inch trailering hitch receiver

## TAHOE LT In addition to or replacing LS features, LT includes:

- Forward Collision Alert
- Low Speed Forward Automatic Braking
- Lane Keep Assist with Lane Departure Warning
- Safety Alert Driver Seat
- IntelliBeam high beam assist
- Programmable power liftgate
- Bose® premium 9-speaker audio system
- Leather-appointed front bucket seats with heated seat cushions and seatbacks
- Power-adjustable pedals with memory

## TAHOE LT (CONTINUED)

- 10-way power driver and passenger seats with 6-way power cushions, 2-way power lumbar control and power recline; driver-seat memory
- Manual tilt and telescoping steering column
- Inside rearview auto-dimming mirror
- Universal Home Remote

## TAHOE PREMIER In addition to or replacing LT features, Premier includes:

- Magnetic Ride Control suspension
- Lane Change Alert with Side Blind Zone Alert
- Rear Cross Traffic Alert
- Front and Rear Park Assist
- High-intensity discharge (HID) headlamps
- Foglamps
- Outside heated power-adjustable, power-folding mirrors with integrated turn signal indicators, ground illumination, driver-side auto-dimming feature and memory feature
- Body-color bodyside moldings
- Body-color trailer hitch closeout
- 20" polished-aluminum wheels
- Hands-free programmable power liftgate
- Chevrolet MyLink[4] Radio with Navigation and 8-inch diagonal color touch-screen display, Bluetooth audio streaming[5] AM/FM/HD Radio with CD player, and GPS navigation system, includes 5 USB ports[6] and auxiliary input jack
- Bose® Centerpoint® Surround Sound premium 10-speaker audio system
- Keyless Open and Start
- Power tilt and telescoping steering column
- Heated steering wheel
- Perforated leather-appointed seats
- Heated and vented front bucket seats with 12-way power adjusters
- Heated second-row bucket seats with power release
- Power-folding 60/40 split-bench third-row seat
- 12 charging locations including a 110-volt power outlet, 5 USB ports[6] 5 auxiliary 12-volt power outlets and a wireless charging pad[9]

*1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. 2 Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. 3 Does not detect people or items. Always check rear seat before exiting. 4 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 5 Visit my.chevrolet.com/learn for vehicle and smartphone compatibility. 6 Not compatible with all devices. 7 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink. 8 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. 9 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.*

## NEW VEHICLE LIMITED WARRANTY

***5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY*** Every 2018 Chevrolet Tahoe comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

***3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY*** Chevrolet will warrant each 2018 Tahoe from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

*1 Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details. 2 Whichever comes first. See dealer for details. 3 Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. 4 Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations. 5 Visit onstar.com for coverage map, details and system limitations. 6 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 7 Cargo and load capacity limited by weight and distribution.*

## IMPORTANT INFORMATION

***CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)*** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

***ENGINES*** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

***ASSEMBLY*** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

***ONSTAR*** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

***A NOTE ON CHILD SAFETY*** Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

***IMPORTANT WORDS ABOUT THIS CATALOG*** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

***FLEET ORDERS*** Some standard content may be deleted on fleet orders. See dealer for details.

***CHEVROLET OWNERSHIP EXPERIENCE*** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

***CHEVROLET.COM/SAFETY*** Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

***GMMOBILITY.COM (1-800-323-9935)*** GM Mobility℠ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

***THE BUYPOWER CARD*** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
