STRIVING TOWARDS MATURITY | NOVEMBER 22, 2026

SERMON RECAP

We must be always growing in Christ, not just know about Him. We grow in maturity as we dive deeper into the gospel and let what we learn affect our lives.

THE LEAD IN

- What skill, sport, instrument, or trade have you grown in over the years? What helped you move beyond the basics to proficiency and mastery?

GETTING INTO THE TEXT

- Read Hebrews 5:11-6:3. Why have the Hebrew readers become dull of hearing? What has gone wrong and what are they called to as a course correction?
- Nehemiah 8:1-3 shows a sharp contrast to this Hebrews passage. What do you notice about the way God's people received His Word?

GOING DEEPER

- As followers of Christ, we're to be growing in understanding so we can grow in maturity. Are you further along today in your walk with Him than you were a year ago? Share specific ways you've grown and changed, not just things you've learned.
- There are a few things that can stunt our growth - being disinterested, being distracted, and being directionless. Which of these tends to be a trap for you? How can you move past it towards maturity?

PRAYER

- Pray Ephesians 3:14-19 over each other. Ask God to grow your delight in Christ.
