THROUGH YOUR WINDOW

D A A A#
see the moon shine through your window
Bm F#m
see the trees point where the wind blows
D A
if you could fly right through your window
G Bm G Bm
what would happen out there? what do you think would happen out there?

D A Bm G A
you might find a marshmellow mansion eat your way in stay all day long
D A Bm G A
you might find a chocolate hippo slowly melting in the sunshine
D A Bm G A
you might find french bananas singing loudly in a circle
D A Bm G A
you might find a way back home to mom and dad and your cozy bedroom

D A Bm G A
you might find a field of noodles wide and endless and so delicious
D A Bm G A
you might find a rubber monkey bouncing sideways by the poolside
D A Bm G A
you might find a furry monster eating gumdrops off the branches
D A Bm G
you might find the end of the story and fly fast backwards

back to your bedroom
