Mimi Secor earned her master's degree in nursing from the University of Massachusetts in 1995 and her master's degree in education from Antioch University in Cambridge in 1979. She is a fellow of the American Academy of Nurse Practitioners (AANP). Ms. Secor has received several awards for her services and accomplishments in patient care and in education, and has published numerous articles and book chapters on topics including women's health, contraception, the pelvic exam, menopause, and sexually transmitted infections.

Alan P. Agins received his Ph.D. in Pharmacology & Toxicology from the University of Rhode Island. He has held faculty appointments at Brown University Medical School, Northeastern University School of Pharmacy and University of Virginia School of Nursing. During his tenure at Brown, Dr Agins was the recipient of the Dean's Teaching Excellence Award for five consecutive years.

Margaret Fitzgerald is an internationally recognized speaker. She has provided thousands of programs for numerous professional organizations, universities, national and state healthcare associations on a wide variety of topics including clinical pharmacology, assessment, laboratory diagnosis, healthcare and nurse practitioner practice. For more than 20 years she has provided graduate-level pharmacology courses for nurse practitioner students at a number of universities. In addition, she is a family nurse practitioner at the Greater Lawrence Family Health Center, Lawrence, Massachusetts.
