GENESIS

“Every affliction may be viewed in two aspects; and what from one viewpoint may be thought of Benoni may from another be seen as a Benjamin”

Griffith Thomas, Genesis: A Devotional Commentary

GENESIS

"Tulul adh-Dhahab and Jabbok in spring" by E. Rehfeld, wikicommons

For Jacob, and Abram to experientially know God is all powerful… they needed to realize they weren't.

For Jacob, and Abram to experientially know God is sufficient… they needed to be exposed to their own insufficiency and inadequacy.

The Lord our God is ever faithful
Never changing through the ages
From this darkness
You will lead us
And forever we will say
You're the Lord our God

Promise maker, promise keeper
You finish what You begin
Our provision through the desert
You see it through ‘til the end
You see it through ‘til the end

Kristian Stanfill, “The Lord Our God”
