The night before you died Lord
Fallen on your knees
Praying to your Father
Your soul in agony

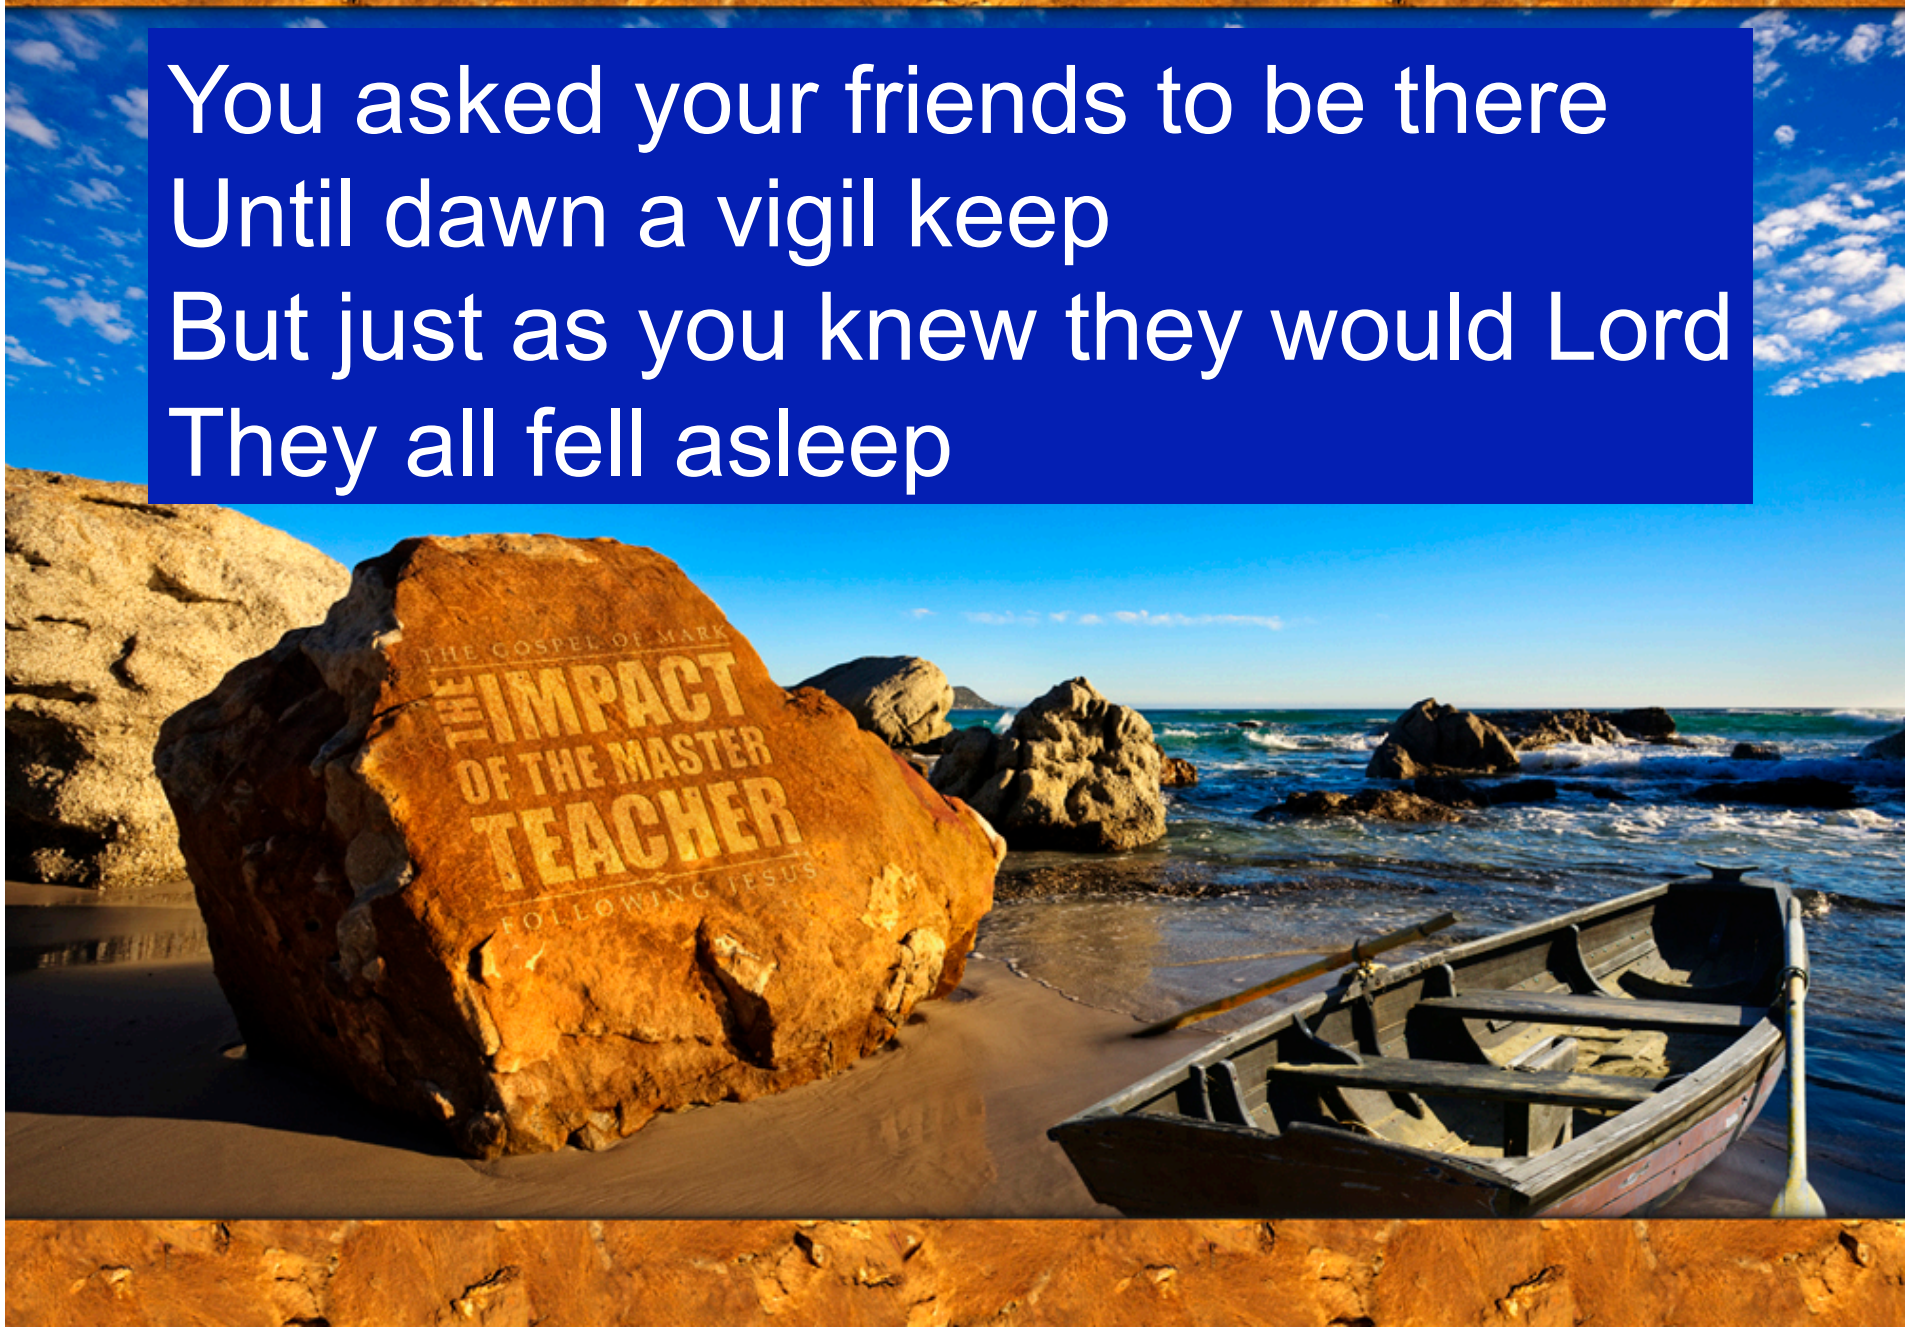
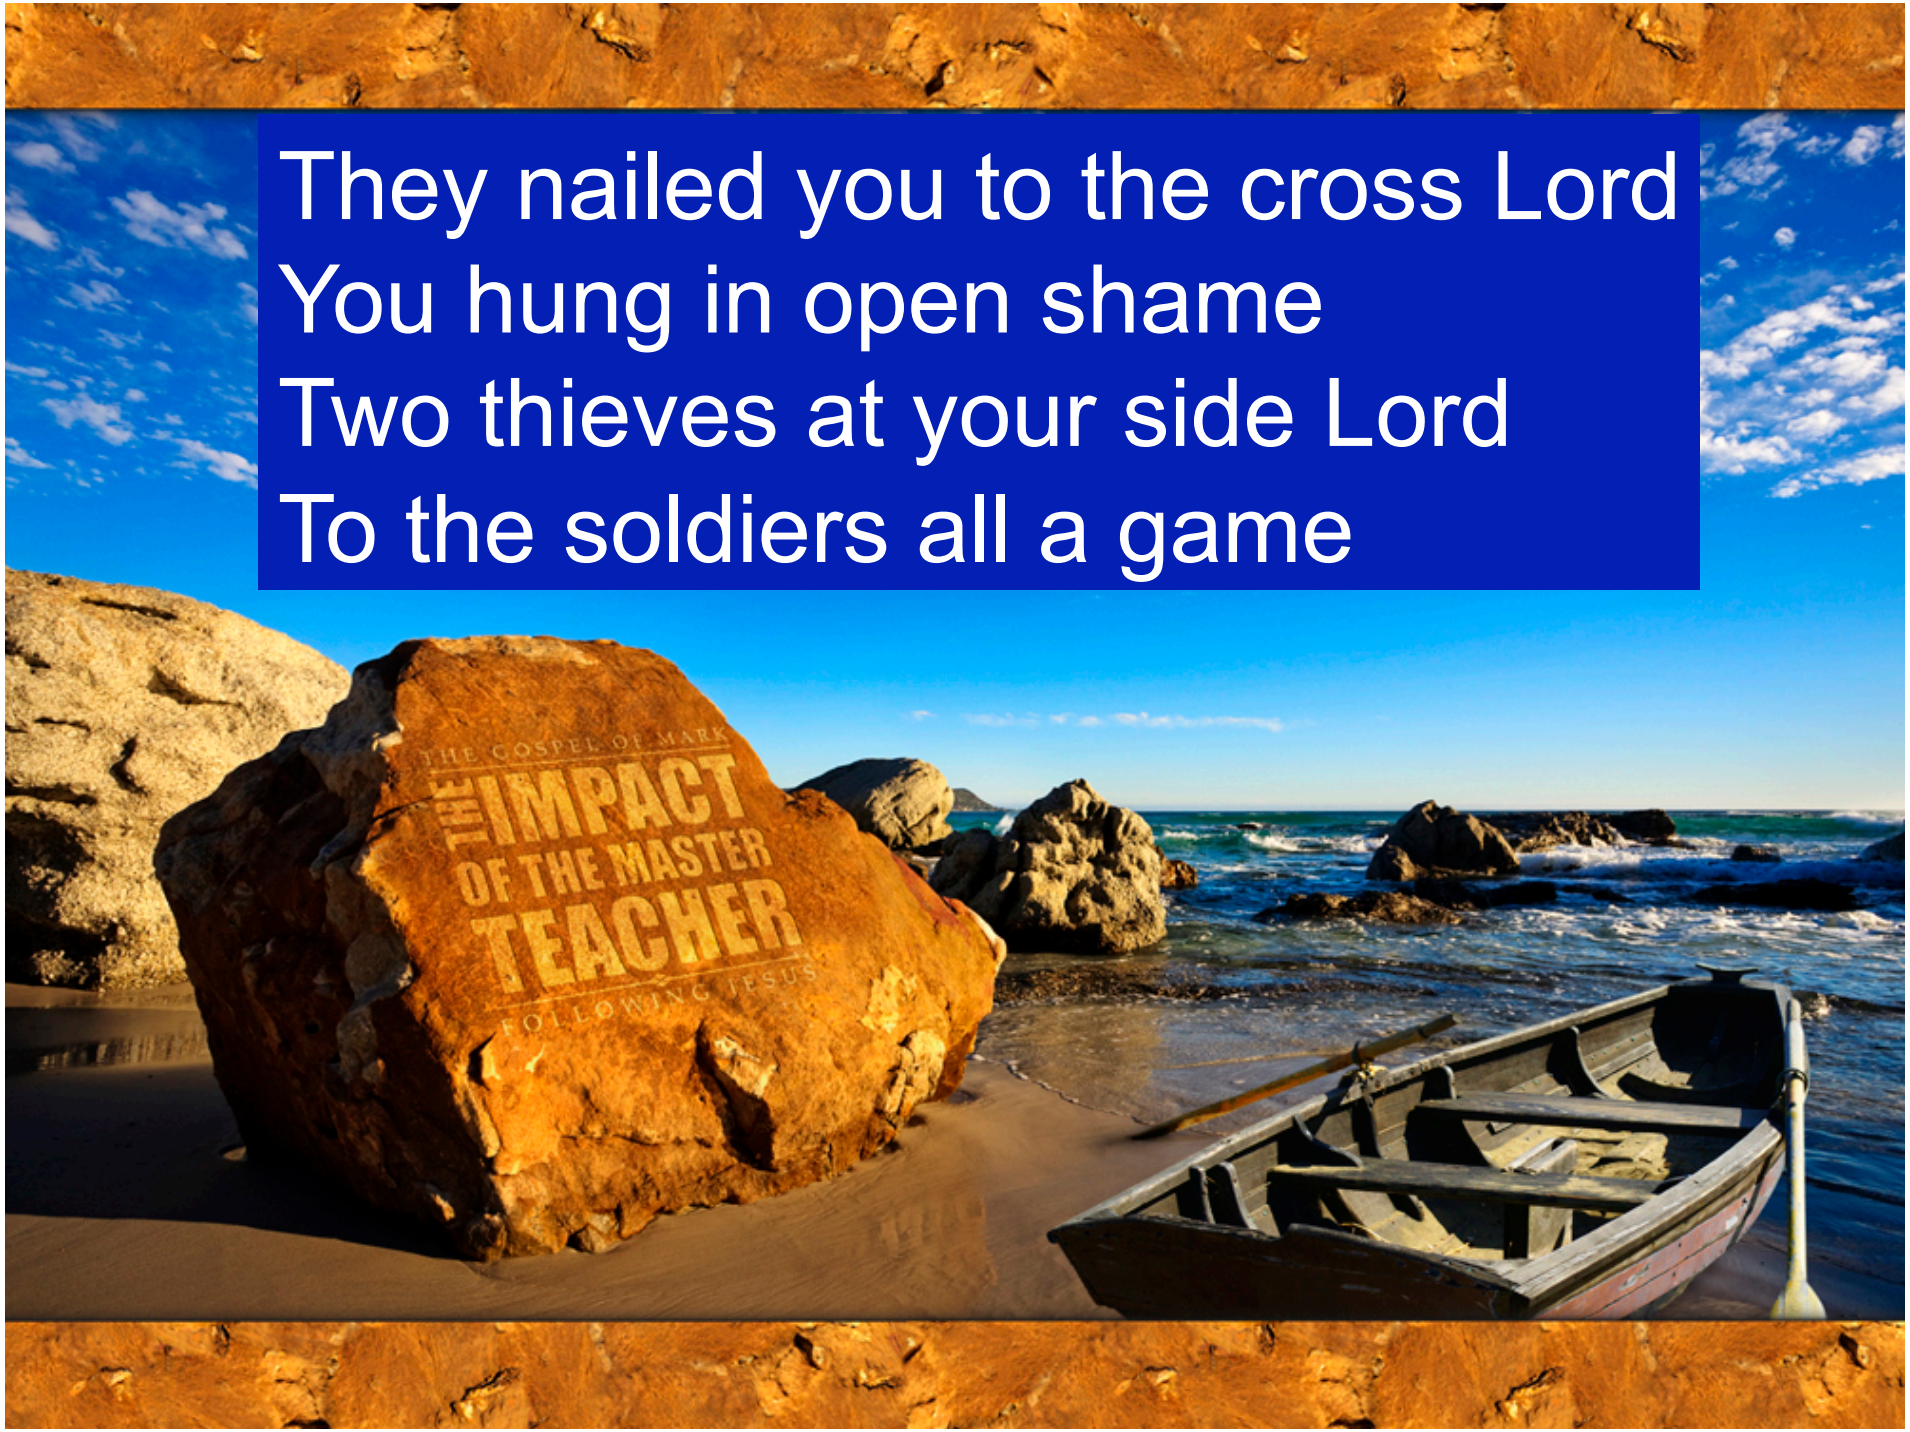
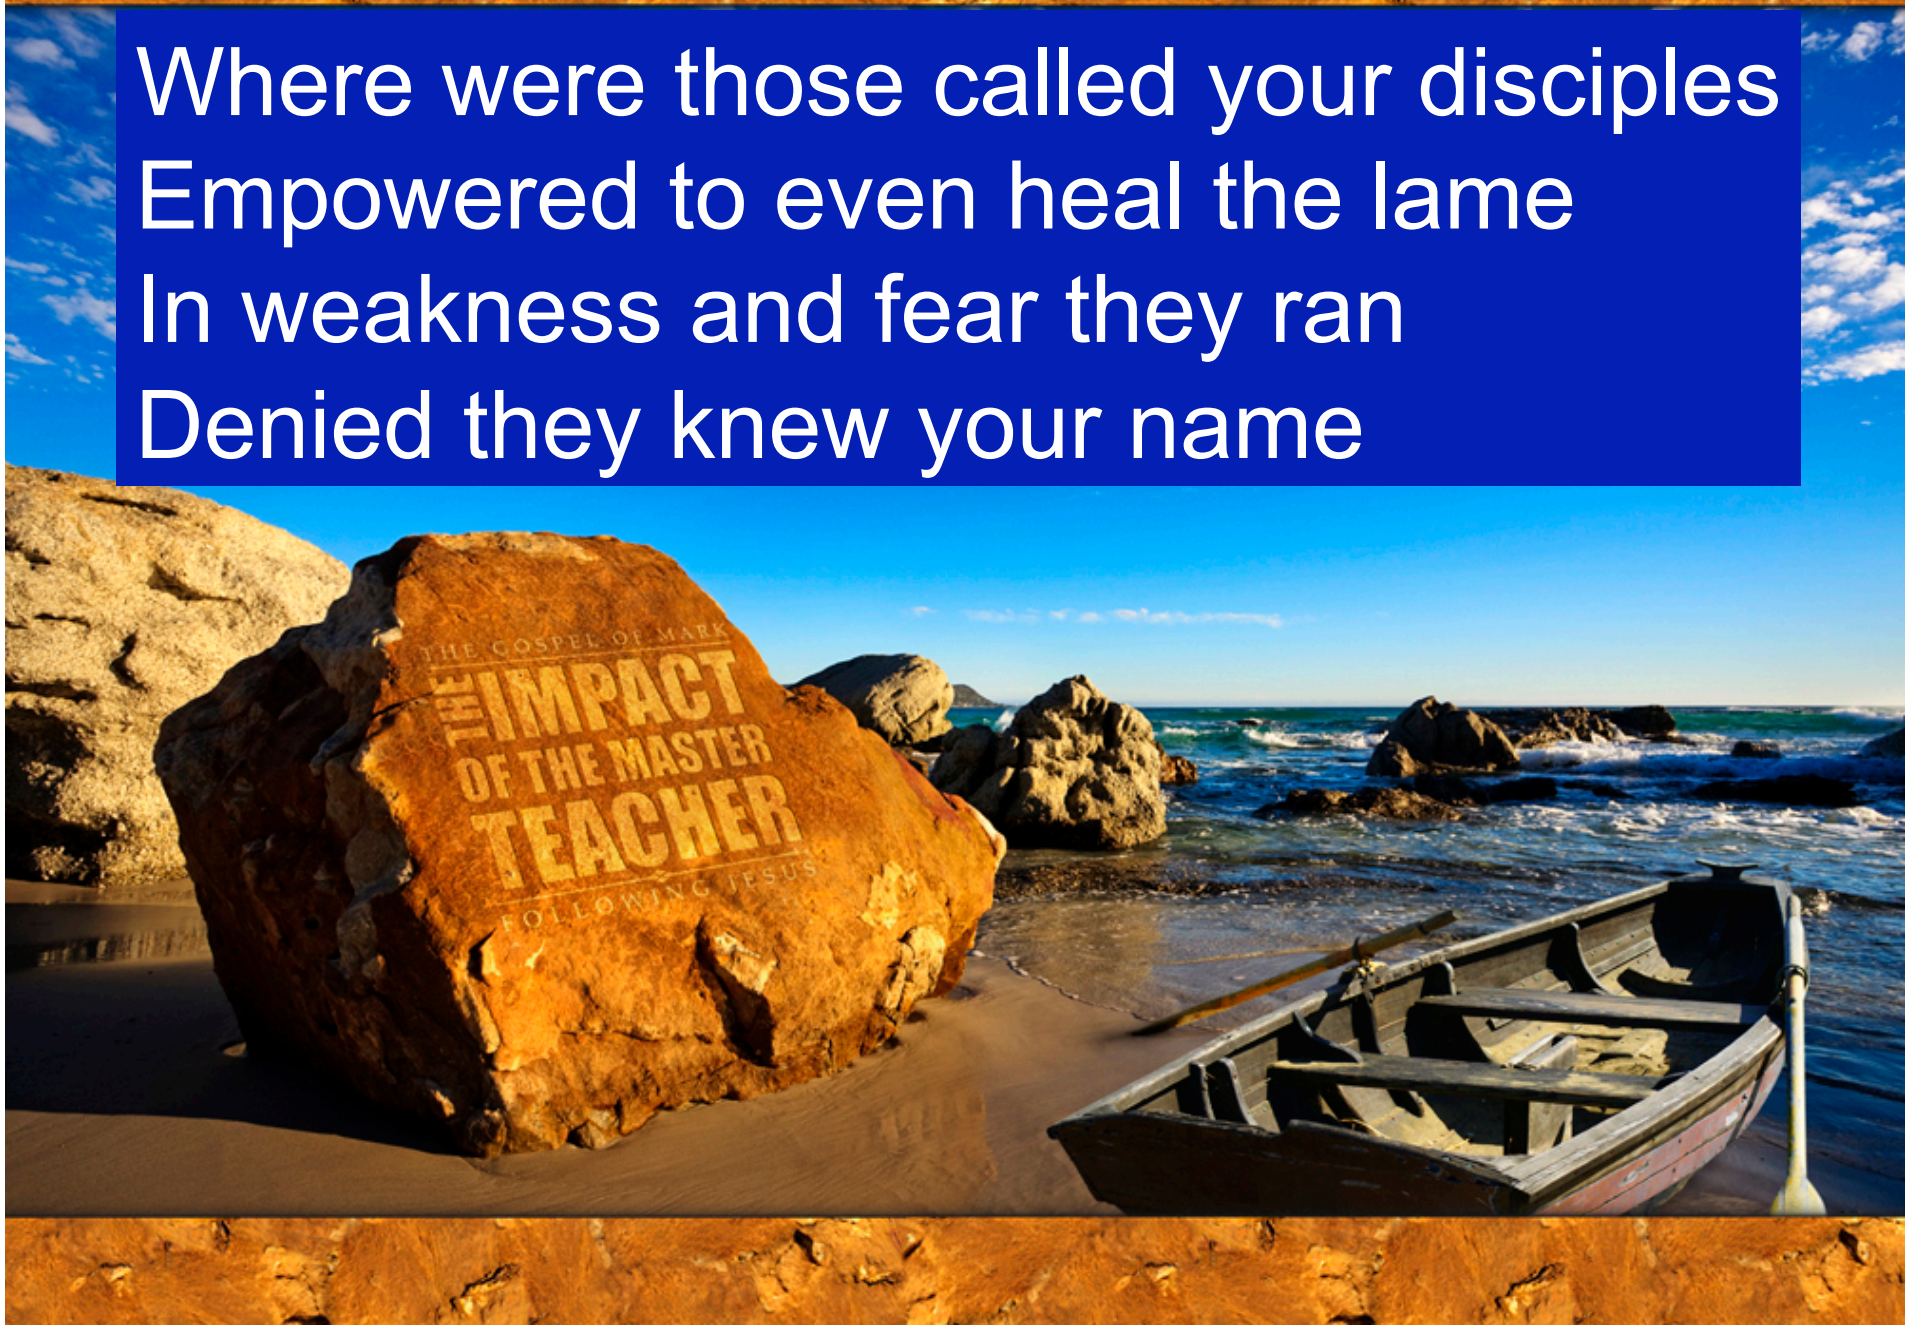
You asked your friends to be there
Until dawn a vigil keep
But just as you knew they would Lord
They all fell asleep



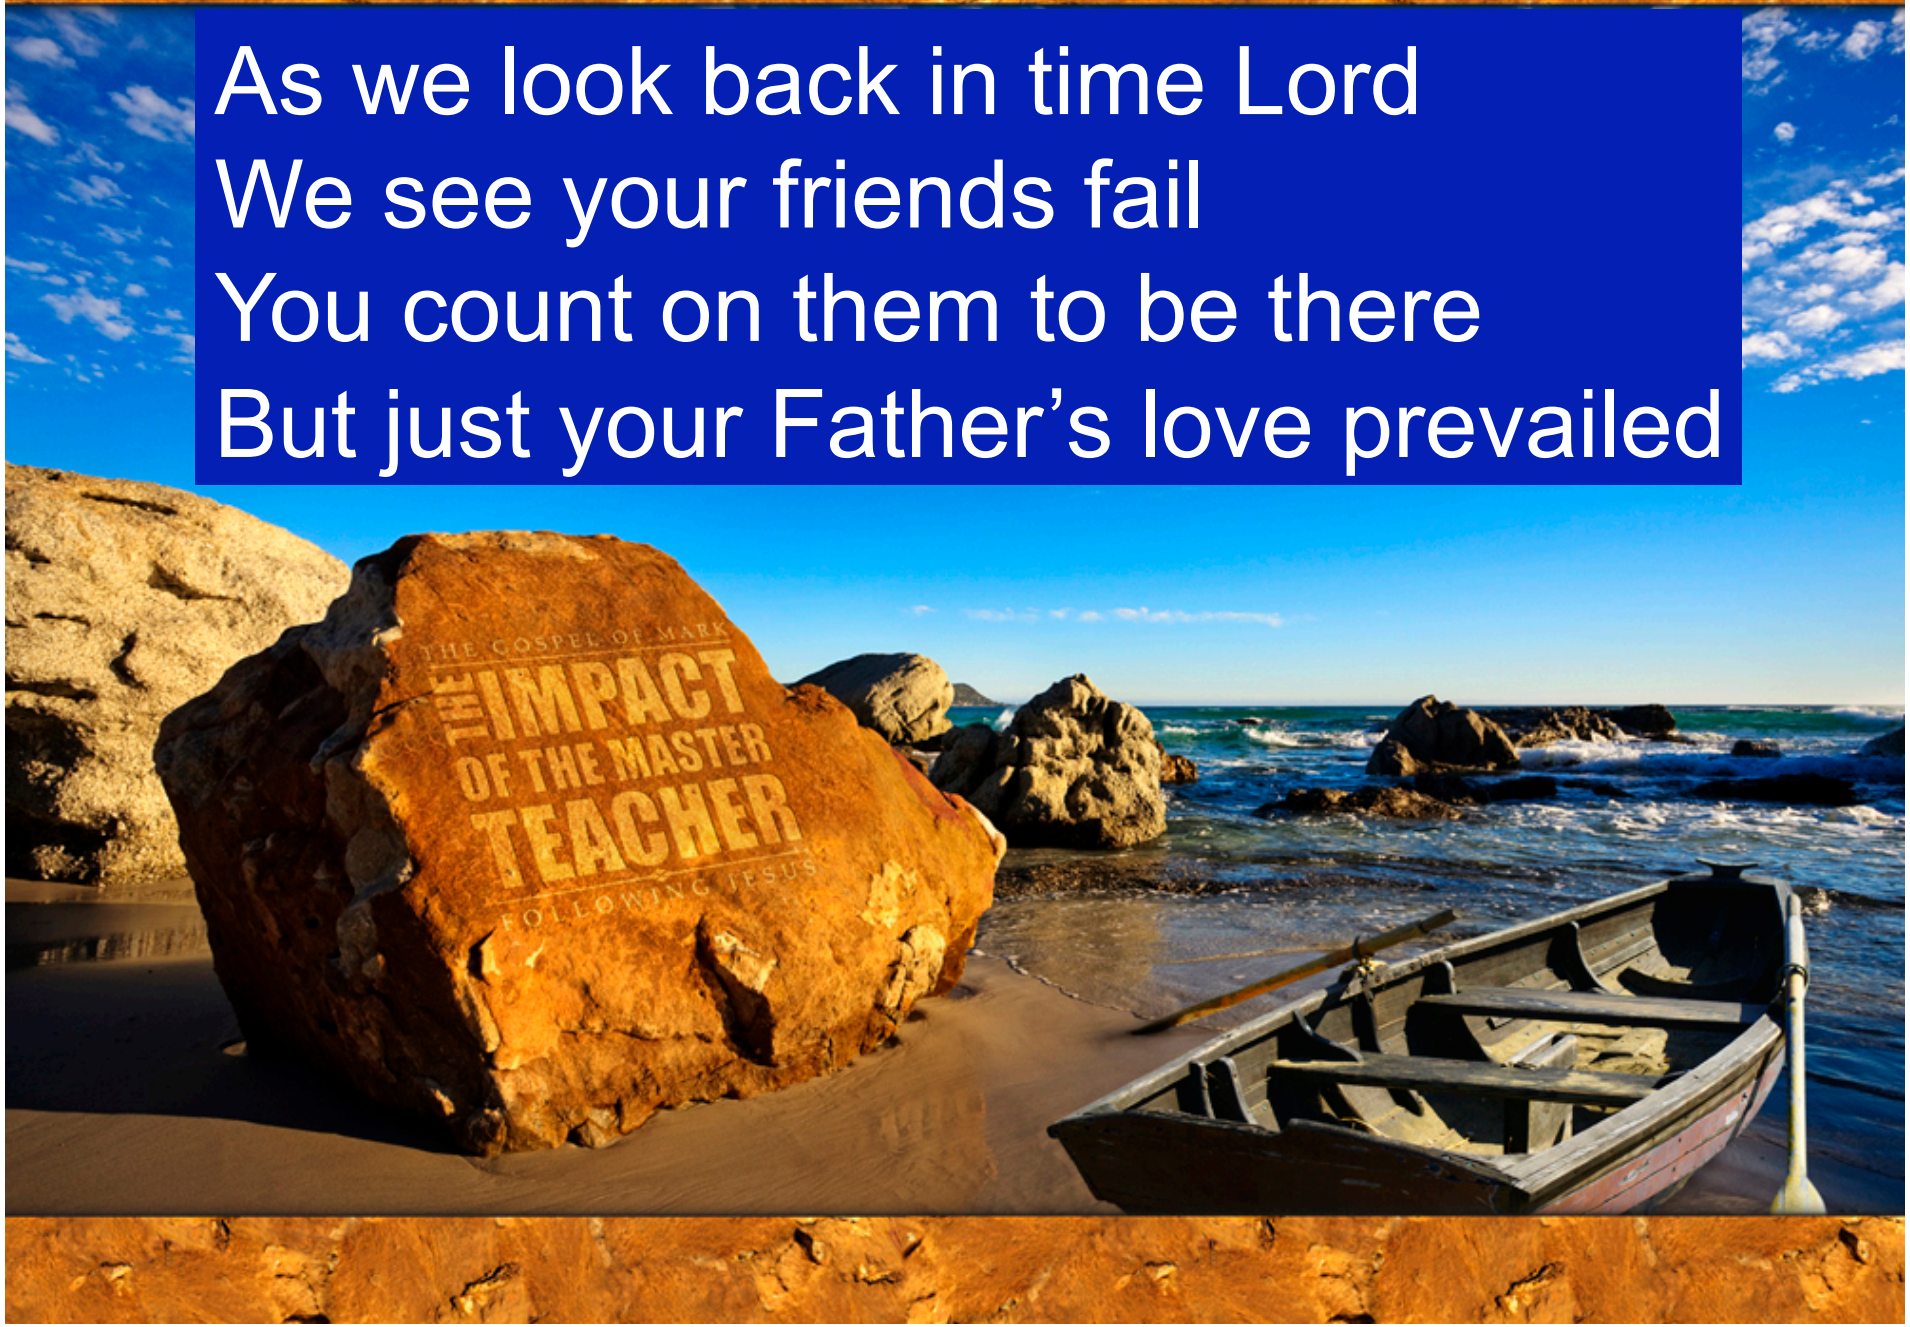
They nailed you to the cross Lord
You hung in open shame
Two thieves at your side Lord
To the soldiers all a game



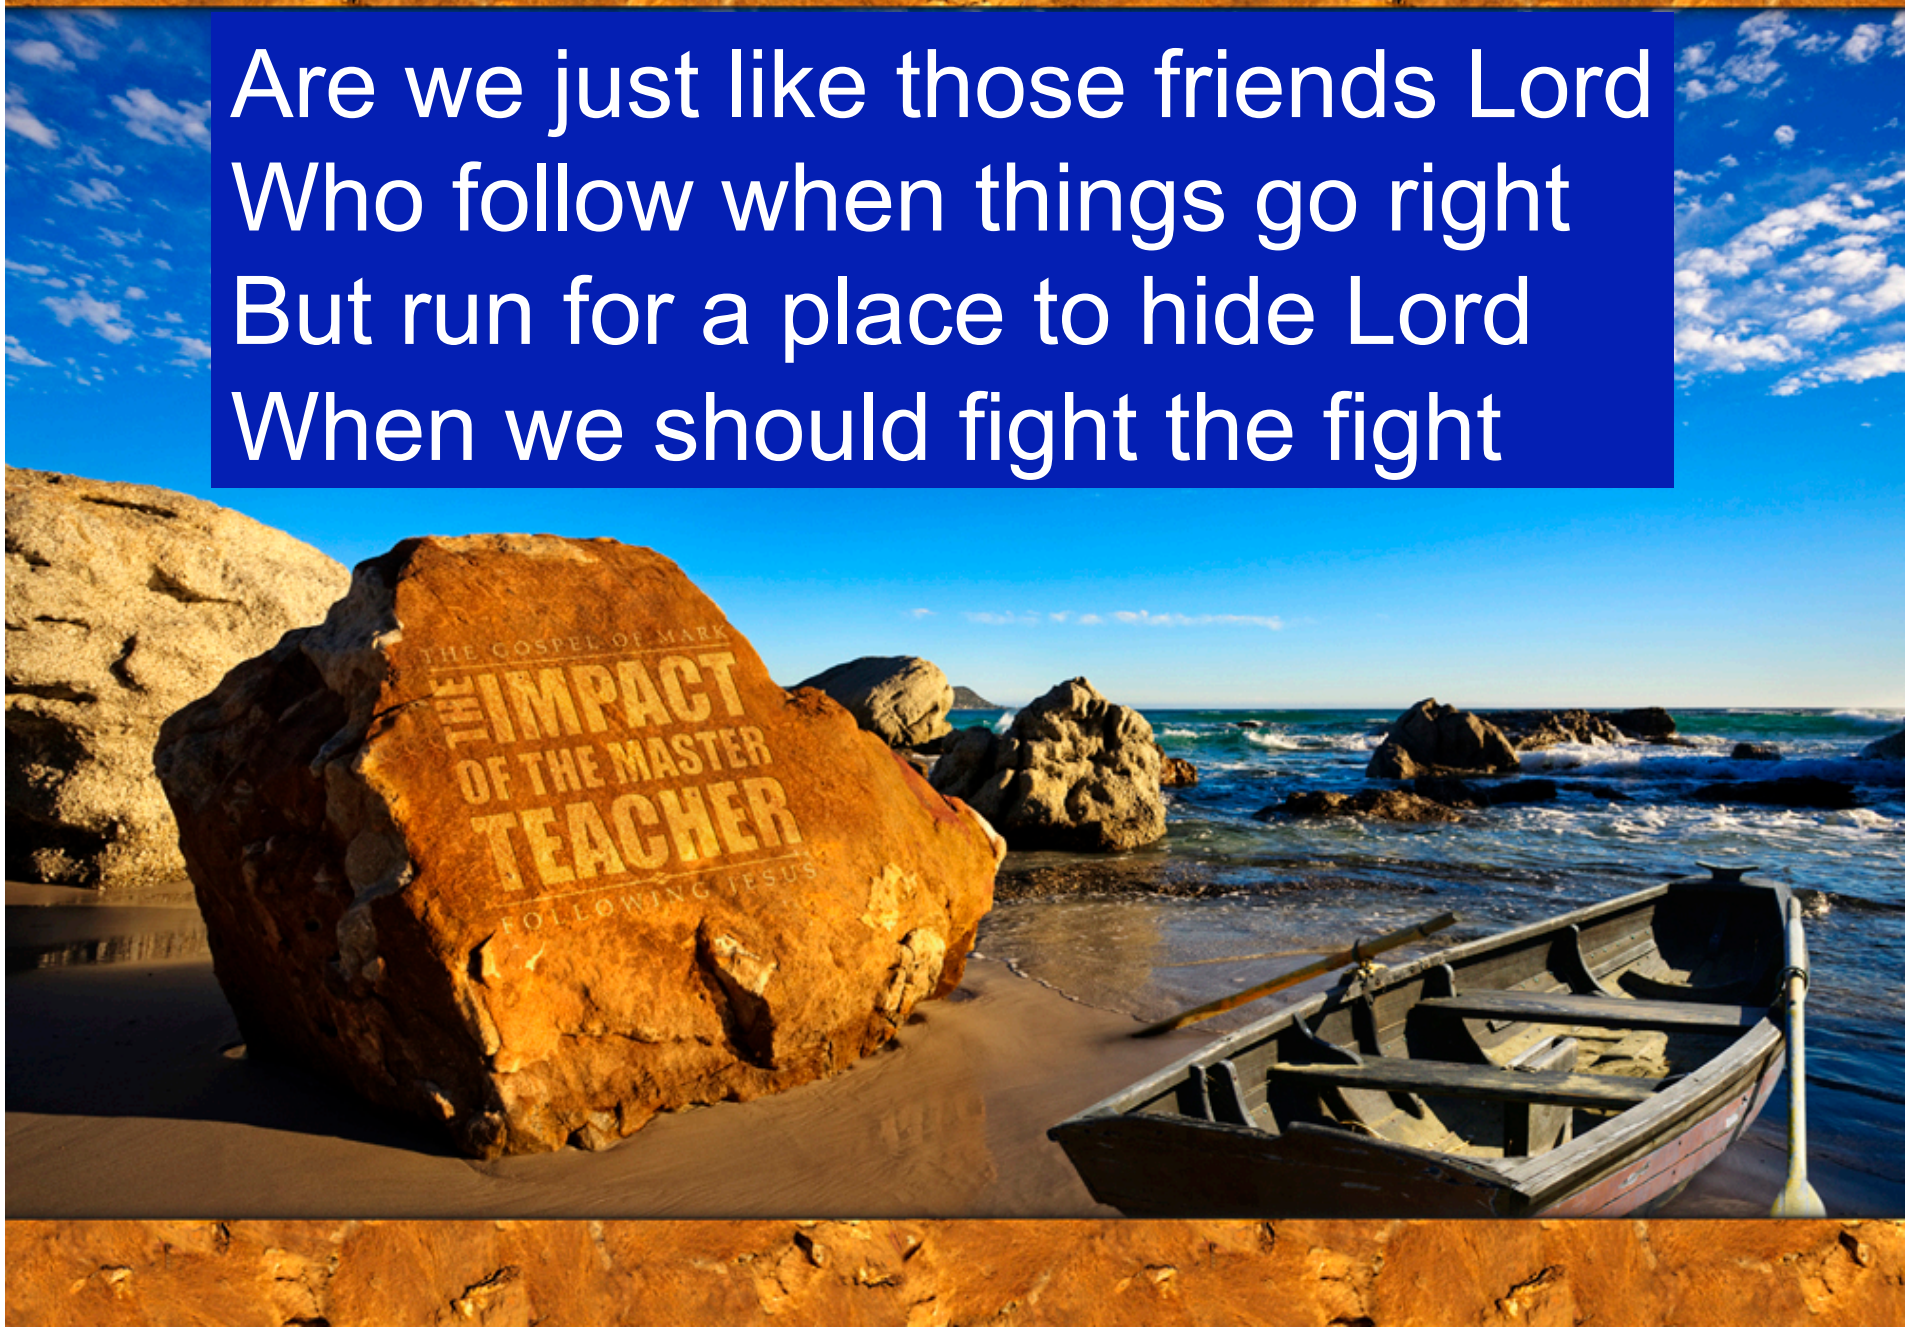
Where were those called your disciples
Empowered to even heal the lame
In weakness and fear they ran
Denied they knew your name



As we look back in time Lord
We see your friends fail
You count on them to be there
But just your Father's love prevailed



Are we just like those friends Lord
Who follow when things go right
But run for a place to hide Lord
When we should fight the fight



‘Cause you’re the light of the world
You are the light of the world
You are the light Lord
You are the only one
I’ll follow you Lord
You are the light of the world

Whatever the cost
Just fill up my cup
I will always follow you
