HOUSING STABILITY IS THE GOAL

The mission of the **Mayor's Office of Homeless Services (MOHS)** is to make homelessness rare, brief, and nonrecurring in Baltimore City.

We work with City agencies, community organizations, and nonprofits to make sure fewer people become homeless, and if they do, are connected with housing resources and supports to exit homelessness and remain stably housed.

You can learn more about MOHS online at **www.baltimorecity.gov/homeless**.

If you see someone experiencing homelessness, or to report an encampment, please call **3-1-1**.
