

Sharing Our Faith

FUNDAMENTALS OF THE FAITH kicks off April 1st and this will be a **DIFFERENT** type of online Bible class. First, it is actually a college level Bible class. I am taking my old freshman Bible class textbook plus my notes (fortunately I did not throw them away) and crafting a 15-minute or less daily Bible class. Don't worry...this class will be easily understood, I promise plus THERE ARE NO TESTS!

Next, this new online Bible class will be **DIFFERENT** because it is created to be a family Bible study/devotional. According to a 2018 study only 17% of Christians are involved in a daily Bible study. FUNDAMENTALS OF THE FAITH answers this need with a ready-made family Bible study/devotional. It does not matter if your family is a family of one or a family of a dozen, FUNDAMENTALS has a lot to offer you.

Each class comes with an available **STUDY GUIDE** that will help direct you through the 15-minute or less daily online class plus each **STUDY GUIDE** has personal application questions based on the lesson.... a memory verse that is tied in with the study ...a song or song from our songbook that will help you remember the lesson ...plus a reminder to pray. What is all this? It's a ready-made family Bible study/devotional that will benefit all.

These study guides can be picked up here at the building. Guides for lesson #1-#3 are available TODAY on the speaker stands near the auditorium exits. Each week, beginning March 28th new study guides will be available on these stands and study guides for previous lessons will be available on the front pew near where I sit.

You will also want to sign up to receive these study guides by email. Why? Because you might be out of town one week or you might forget to pick up the study guides one week. By signing up for the once per week email you will always have the study guides available.
