case you forget to grab a paper copy one Sunday. FUNDAMENTALS OF THE FAITH is built around a 'family Bible study/devotional'. According to a study conducted in 2018 only 17% of Christians have a daily Bible study (minimum length was a study lasting 90 consecutive days or more). The study guide for FUNDAMENTALS OF THE FAITH comes with questions for practical application (great for discussion among your family), a memory verse that will help you remember the study, a song or two tied in with the study that you can sing, and a reminder to pray. Whether your family is just one person or a family of a dozen, you will benefit from a family Bible study/ devotional made possible by FUNDAMENTALS OF THE FAITH. Join me every Monday through Saturday morning @ 7 beginning April 1st for FUNDAMENTALS OF THE FAITH.

As we wrap up the BIBLE STUDY CHALLENGE please don't stop investing 5-minutes per day reciting the major keys. By this point of time, you probably need to divide the keys into 2 or 3 groups and recite 1 group per day. If you continue spending the 5-mintues per day you can come to know over 500 passages of the Bible.

If you are going to Dallas for L2L please verify your arrival &

## True Worship

We are familiar with "worship". You know, it is the thing we do when we gather at a certain place or building, right? Worship is an interesting study. As we take a few moments, let's look at this idea in the same fashion as God looks at worship.

The word worship comes from a Persian word. It means "to show obsesses toward a

person of a higher rank in society." Literally, in Persian society, a lower ranked official would approach a higher ranked official. He would immediately lie down on his stomach at the feet of the higher ranked official. This lower ranked official would not even look up at the other man. Depending on how highly ranked the high official was, dictated how long he would keep the lower official lying on his belly with his face down toward the ground.

The first mention of WORSHIR in the Bible is found in Genesis 22:5. From that point forward, God uses this word to describe what actions He expects from His children. In Genesis 22, the narrative given is almost unknown to us. Abraham was commanded to offer Isaac. As the narrative ends, we read of the provision of God to Faithful Abraham. But, what does this account have to do with us today? Does God want us to offer our children? Does God expect us to go to this certain mountain? What am I supposed to learn?

Worship is an action of faith. As we read through Genesis 22, we learn that every aspect of the command was about faith. God never commanded nor expected human sacrifice. As a matter of fact, God was appalled that Israel began to practice human sacrifice (Leviticus 18). The question answered was would Abraham follow God without question? The answer is: YES, he would follow! In the same fashion, worship is a question of our faith. Will we do whatever is directed by God? Will we give God what He wants in worship?

A great reflection of worship is me giving God what He wants because of His magnificence, glory and honor.
