

SHARING — OUR FAITH —

We all have them. I have one on the underside of my arm as a box cutter slipped one day while I was working in a grocery store as a teen and I sliced open my arm. I have another one on my upper arm as proof of a childhood vaccination. Just two weeks ago, while recording a video lesson, I gained a new one as I took a wrong step leaving the podium area and fell in the auditorium in front of the communion table. I was sure glad no one was in the building when that happen!

What am I talking about? Scars! As we go through the scrapes and problems of our life, we attain SCARS but what about the SCARS no one sees but YOU? The ones not visible to the naked eye. The emotional scars ...the scars of hurt ...the scars of pain ...the scars of depression.

For my physical scars I grab the various wound medications and if the scar is not too deep, the evidence goes away in a few days as healing takes place.

What can heal the scars only YOU see? For our emotional scars we have God's forgiveness if we obey, God's promises, God's people, and most certainly, God's Word, the Bible. Take a few minutes and read the following...

If you have the scar of exhaustion, read Matthew 11:28-30.

If you have the scar of facing the impossible, read Mark 9:23.

If you have the scar of wanting to give up, read Revelation 2:10.

If you have the scar of facing a rough & turbulent life, read John 16:33.

If you have the scar of a weak faith, read Mark 11:24.

If you have the scar of losing your priority, read Matthew 6:33.

If you have the scar of not feeling worthy, read Matthew 6:25-27.

May you wrap your hurts away in the loving arms of our Savior!

BLAZE 2020

BLAZE 2020 is sneaking up very quickly. We need to be prepared. There are a few things YOU can do to lend a hand in helping with this undertaking.

Youth- For all of you, I need you to invite, invite, invite. We had about 100 folks last year. Our goal for this year is 125 people in attendance. The only way this will happen is if you invite your friends. I have invitations for you to hand out over the month of October. If you give all these out, I will print more!

Dads & Moms- I need you to make this weekend important. Help me to keep your children focused on what this weekend means and why it is so important.

Those who love to cook- In a week or so, I will put out a menu of what we will be providing for lunch on Saturday, October 24th. Be looking for that list. You can be a blessing to this great weekend simply by doing what you love.

Those who want to host guests- I have a list in the foyer area for those who want to host a child/ children in your home. This is an outstanding way to help. It is the fact that many get to attend because YOU host them.

If you want to help, but you do not fit into any of these categories, the best way to help is to pray for the success of BLAZE 2020.

This will be our best BLAZE ever, if you and I will work toward that end! As we sit and study on our BLAZE weekend, you and I will realize how blessed we are to host this event and how blessed we are to be a part of God's kingdom.

I love you all and I know you will exceed all expectations, as usual!
