

SHARING
OUR FAITH

Thanks so much for making our online video Bible lessons (Manna in the Morning, Two Minutes that can make a Difference in Your Life, Message of Hope and Bible Investigation) such big successes. The viewership remains constant and that is because of YOU. YOU have shared these messages with your Facebook friends by clicking on SHARE and SHARE NOW, thus increasing our potential audience. Thanks for the helpful SHARES, the encouraging LIKES, and the many great COMMENTS.

Looking for a way to draw your family CLOSER TO GOD? Why not use our Monday-Saturday online Bible classes as a way to start your own FAMILY HOME DEVOTIONAL. With our YouTube channel the entire family can watch together on your TV set. Beginning July 18th many of our online classes will feature a FAMILY DISCUSSION QUESTION. So, if your family is ONE or more than ONE, gather everyone together and let's talk about our great God.

If you have a SMART TV, then you probably either already have the YouTube channel OR you can add it to your channel lineup. If you have any problems doing that please call me, keeping in mind that I have counseling appointments 7 days per week starting around 5 pm and continuing non-stop until around 10 pm.

With YouTube, when time comes for one of our classes at 7 or 9, all you need to do is turn on the TV, flip over to YouTube channel and pull up 70 West church of Christ. If you are tuning in AFTER 7 or 9 you will need to wait a few hours until the classes are added to the archived list. These online Bible classes are another way we are taking the gospel to the world around us.

Questions coming up on BIBLE INVESTIGATION this week: Monday- "I'm ready to give up. Can you give me any hope?" Tuesday- "What advice can you give a new dad?" Wednesday- "Paint me a picture of God." Thursday- "Can you sell me on the church of Christ?" Friday- "Can you help a loser?" and Saturday- "I'm afraid I'm not saved."

Tuesday, I had the honor and privilege of baptizing Jim Porter. The glory goes to our great God and the thank you pat on the back goes to Heath Lerner for initiating this Bible study for me.

What then?

A young boy and his grandfather were in a conversation one day. The conversation was revolving around future plans. The grandfather asked, "What will be after High School for you?" The boy replied, "College." So the old man said "What then?" Thinking hard, the boy said, "Marriage?!" the Grandfather said, "What then?" "Kids, I think" replied the boy. "What then?" said grandfather. The boy started getting frustrated. He said, angrily, "Work for about 25 years." Then the retort of the grandfather was, "What then?"

Enraged the boy stated sharply, "RETIREMENT!" Once more, the grandfather prodded. He said, "What then?" The boy lost any cool he had. He turned and shouted, "I guess I just DIE!" To which the grandfather calmly asked, "What then?" What a powerful question!

Some of you have gone onto college campuses. Others have graduated high school. For some it is a new school, new teachers or new friends at school. These milestones in our lives are important. It is a good thing that we celebrate these milestones. Let me try to give you a little old man advice. Don't let your youth slip by too fast. Enjoy your time now correctly. Ecclesiastes 11:9, "Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment." And Ecclesiastes 12:1, "Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them."

I know you have heard these verses at every youth day. If you will spend about 10 minutes in study of the words and intent, you will find out this is written by the richest king to ever live. A man with a life full of miscues and mistakes. His goal is to keep you from making foolish choices like him.

Will you be wise enough to listen to the wise king?

Brothers and Sisters,

As we continue to watch COVID-19 spread across our county, out of an abundance of caution and in keeping with the CDC and Arkansas Department of Health guidelines...

Until further notice, we strongly encourage the following for all worship services, Bible classes and other indoor activities at the 70 West building:

Please wear face masks that cover the mouth and nose while inside the building.

Maintain social distance when possible.

Wash your hands frequently or use hand sanitizer and don't touch your face.

If someone is reluctant to shake your hand or hug you, please respect their wishes and maintain your distance. This is for both your benefit and theirs.

Additional precautions have been implemented for those serving in the services for everyone's protection.

Obviously, we cannot force anyone to abide by these guidelines but let's be considerate of our family and do what we can on a personal level to protect ourselves, those around us and to lend a level of comfort to others. We all want to worship and fellowship together, let's make it comfortable for all to do so.

If you are in any of the following categories, we strongly encourage you to continue to use the Facebook or YouTube streams to participate in worship and Bible Study:

- High Risk age group as defined by the CDC
- Have underlying health conditions that COVID-19 will exacerbate
- Have been sick in the last two weeks, run a fever in the last two weeks or have had known exposure to a COVID-19 patient within the last three weeks
- Continue to feel the need to avoid social gatherings.

We all desire to be back together as a united congregation but let's continue to be vigilant in protecting ourselves, our families and our community, especially as we see the infection rates to continue to rise with the lifting of restrictions.

Above all else, continue to keep those impacted by COVID in your prayers.

~Your Elders
