

# Sharing Our Faith

VBS 2021 is now in the history book and what a great VBS it was! VBS was packed with lots of lots of great teaching, and it was certainly full of fun! Each participant gained so much! Having a successful VBS requires teamwork. From those who provided the perfect hallway and room decorations, to the teachers who prepared their lessons along the theme of THE FLOOD, to those young and older who invited their friends, to our cooks and kitchen staff who prepared the Sunday meal and the snacks, to the ones who provided snacks, to our excellent crafts staff, to our sound and video team, to the cleanup squad, and finally to each person who took part in VBS 2021 here's a **BIG THANK YOU**. Our VBS would not have been a big hit **WITHOUT YOU**.

It was teamwork that did it! Teamwork is something we see in the New Testament church. When Jesus sent out His disciples, He did so in groups of two. That's **TEAM-WORK**. Luke 10:1 After these things the Lord appointed seventy others also, and sent them two by two before His face into every city and place where He Himself was about to go.

Why two by two? It's teamwork. Teamwork accomplishes **MORE** because teamwork encourages one another. Teamwork accomplishes **MORE** because it blends the strength of each member together. Teamwork accomplishes **MORE** because the problems and difficulties are shared. Teamwork accomplishes **MORE** because each team member has someone to lean upon.

As we follow up the success of VBS look around and see who you might join together as a **TEAM** in order to encourage your brothers and sisters... to share the gospel with non-believers ...and to build up God's Kingdom. Just like our VBS, your **TEAM** can make the difference!

Salvation is a funny thing

The gift of God to man is God’s ability to redeem mankind. To redeem means to “buy back from” sinfulness.in order to access this gift, I must first understand what is being offered. Listening to God’s offer and understanding all the terms is crucial to choosing correctly. Many people have only heard that God has a plan, never trying to learn about the details of the plan of God. I must understand God’s plan.

If I have heard and understood God’s plan, I now stand at a crossroads. Do I obey God’s plan or do I follow my own plan? Following God’s plan means I must change my thoughts to match God’s view of life and Eternity. Such is called repentance. When I follow Him, I will change my mindset to mirror His mindset.

After a complete understanding and a different mindset, I then must declare the Redeemer. It is called the confession of the deity of Christ. In this confession, man will confess Jesus as Christ. That Ethiopian Eunuch made this particular confession, “I believe Jesus Christ is the Son of God.”( Acts 8:37) In confession of Jesus as Christ, I then acknowledge I am not Christ- I am not the authority!

Baptism is the culmination of the plan of God for the saving of the soul of man. Combined with hearing, believing, repentance, confession of Christ, baptism completes God’s plan. This plan is what allows mankind to be adopted into God’s family, saving our souls from a certain and painful second death.

The odd thing about God’s plan is this: While salvation is free, it ain’t cheap! This plan will cost the man of God everything here, but God will give him everything there. Do you want your reward to be templar or eternal? You will have to choose.
