CHAMP® PRO Bumper Stand

SKU: 1500747

Handles a large variety of bumper sizes & designs

The **CHAMP® Pro Bumper Stand** is a fully adjustable paint stand that can handle a large variety of bumper sizes & designs and has full range of motion to ergonomically adjust to the desired working position of the painter.

- **Full range of motion** with 360° pivoting.
- **Adjustable height** from 40” to 62” tall.
- **Adjustable mounting surface** widens 50”-84” to handle a large range of bumper sizes.
- **Adjustable mounting arms** can be arranged in multiple locations and positions to accommodate the vast variety of bumper designs.
- **Multiple clamping options** for strength and durability.
- **4″ full swivel locking casters** ease mobility in and out of paint booths and in tough shop environments.
- **Quality construction** uses 16-gauge square steel tubing.
- **Powder coated** withstands the riggers of the paint environment.

Fully Adjustable and Built to Fit Any Bumper and Position for Maximum Painting Efficiency
