Wall Mount Bumper Rack

SKU: 1704808

Store up to 6 large bumper covers while reclaiming valuable space.

The ***CHAMP®*** **Wall Mount Bumper Rack** delivers a smarter, more organized way to handle bumper storage in busy collision repair shops. Its adjustable 18" support arms can be repositioned in seconds, giving technicians the flexibility to accommodate different bumper sizes and shop needs.

- **Stores Up to 6 Large Bumpers**
  Keep multiple bumper covers safely organized and off the shop floor.
- **18" Adjustable Support Arms**
  Quickly customize arm positioning to accommodate different bumper shapes and sizes.
- **Wall Mount Design**
  Move bumper storage off the floor to free up valuable workspace and improve shop organization.
- **Adjusts in Seconds** Easily configure the rack as your repair workload and storage needs change.
- **Heavy-Duty Steel Construction**
  Built for the demands of a professional collision repair environment.
- **Powder-Coat Finish**
  Provides a tough, professional finish designed for everyday shop use.
- **Flexible Installation**
  Rack sections can be mounted side-by-side or vertically, allowing you to maximize available wall space.

Keeps bumper covers organized, accessible and out of the way.
