SLEEPY HEAD

E A
sleepy head I'm gonna pull you from your little bed
C
you spent the lazy morning fast asleep
D E D
come with me sleepy head
E A
sleepy head you're eyes are shut as tight as eyes can get
C
might have to tickle you to make you move
D E
that's what I'll do to my sleepy head

G E G E
wake up sleepy head the sun is round and red
D A B
the whole wide world is waiting outside while you sleep instead

E A
sleepy head you havn't heard a single word I've said
C
I wonder if you'll ever wake again
D E D
my tired friend sleepy head

solo - E/A/B/G#m/C#m/A/B (x2)

G E G E
wake up sleepy head the sun is round and red
D A B D
the whole wide world is waiting outside while you sleep instead

E G C B
sleepy head sleepy head drowsiest baby I've ever met (x3)
