MADE OF LIGHT

F D# A# F
made of light made of light all disolves and falls into a dream
F G# D# F
made of light made of light love you so there's no space inbetween
F D# A# F
made of light made of light sink into a sea so deep and warm
F G# D# F
made of light made of light full of love that has no shape or form
F D# A# F
made of light made of light space the stars the world and you and me
F G# D# F
made of light made of light as you grow just know that everything is
F D# A# F
made of light made of light all disolves and falls into a dream
F G# D# F
made of light made of light love you so there's no space inbetween
F D# A# F
made of light made of light sink into a sea so deep and warm
F G# D# F
made of light made of light full of love that has no shape or form
F D# A# F
made of light made of light space the stars the world and you and me
F G# D# F
made of light made of light as you grow just know that everything is
F D# A# F
made of light made of light all disolves and falls into a dream
F
made of light made of light
F G# D#
love you so there's no space inbetween (X4)
F D# A#
made of light made of light made of light made of light
F G# D#
made of light made of light made of light made of light
