RESTING PLACE

Written by: Z. Shelton, J. Schmid

INTRO: Em

VERSE:

```
Em                                C                 Am
This is not my resting place,  This is not my resting pace
     Em                            C                 Am
My home away from home,  I do not stand alone
X2
```

CHORUS:

```
G                 D                          Em
   There aren't beggars on streets of gold
              C                              G
There's no sickness, you don't grow old
         D                    C
God is love, and love is there
G                 D                        Em
   There's no hurt and there's no pain
                  C                 G
In His book of life I'll find my name
               D              C
Come Lord Jesus even so…
```

We're ready to go-o-o-o-o-o-o
```
