Web Dev and SEO for Online Tutoring Company

Web development
$1,000 to $49,999
June / 2021 (#1)

Project summary

Clap Creative developed a custom website for a tutoring company. Their client's goal was to create a calendar detailing their upcoming events and a blog to increase exposure. They also wanted to improve their SEO.

Ratings

Introduce your business and what you do there.

We were looking a solution for our company Discovery Tutoring. We created a website and needed a vendor who can add functionality and make it look pretty. Clap Creative did a great job at both functionality and look. We were happy with the outcome.

For Web Development

This website from Clap Creative developed exactly what we needed—a clean, sophisticated website that functions well.

JUN 30, 2021

Trademark summary:

Clap Creative was instrumental for their project management and communication. They were able to stick with project timelines.
