WELCOME TO BOUTIQUE LIVING IN BRENTWOOD

Artist's rendering

ALASKA

A refined vision of glass, steel, and concrete,

Alaska cuts a striking figure against the skyline. Its graceful,

staggered balconies appear to cascade along the building exterior.

LIVE WELL® ON THE FOREFRONT OF BRENTWOOD

Health and well-being have been at the core of the design process at Alaska from the start. Forward-thinking architecture, carefully curated interiors, clever space planning, and thoughtful landscape design distinguish this boutique collection of homes. It's a place to build a new life.
