CHRISTMAS FOR THE GENERATIONS

Christmas for the Generation: A Holiday Spectacular will be held on Friday December 12th and Saturday, December 13th at Otterbein's Cowan Hall. It is our 25th production and it gets better every year! Tickets may be purchased at buy.tututix.com/genpac.

The Saturday shows at 11 AM and 2 PM are designed especially for younger children and run for about one hour. The Friday 6 PM and Saturday 7 PM performances are full-length productions. Santa will be available for photos after every show. Each version offers its own unique experience, so your family won't want to miss this magical holiday event. Start a new tradition with the most entertaining Christmas show of the season! Enjoy high-kicking dancers, playful dancing teddy bears, tap-dancing penguins, and all the festive excitement of the holidays. Then journey to Bethlehem in the final scene to celebrate the true meaning of the season.

SUMMER CAMPS 2026

We are excited to announce the return of our summer programs in 2026! Program offerings will include camps for children ages 3 and up. The camp schedule will be available in early January and registration will begin via the Parent Portal on February 1st. We would love to have you spend a week with us this summer!

WINTER BREAK

Just a reminder as you make family plans that there are no classes during our Winter Break. Our studio will be closed for this break from December 20th - January 4th. Classes will resume on Monday, January 5th. We encourage you to keep practicing your dance skills while we are apart!

PROUDLY SERVING

Last month, our Ensemble & Step One dancers assembled 100 Thanksgiving meals and created 100 handmade cards for Westerville families in need. We are proud of our dancers and their kind, selfless hearts, and we are so grateful to the families at Generations, whose donations, time, and effort made this event possible. Thank you, all!

ACHIEVEMENT WEEK + MORE

We are looking forward to our Achievement Assessments coming up the week of December 16th. Students will show their teachers some of the skills they have been working on the past few months to earn prizes! Remind your child to practice everyday!

December is a great time to pick up another class if you want to improve at a faster pace. You can check your parent portal for available classes.

SPRING RECITAL

During the first few months of classes, we are working on technique and learning steps. After Halloween, we began working on our Christmas routines. After Christmas break we will begin working on our spring recital dances! When the dance begins, students will be encouraged to practice 5-10 minutes a day. Music will be available in your parent portal for practicing purposes. We will still focus on technique and learning steps, however, about one third of the class will be devoted to working on their recital dance.

MERRY CHRISTMAS!
