Dear Colleague:

The National Association of Pediatric Nurse Practitioners (NAPNAP) looks forward to seeing you at the Henry B. Gonzalez Convention Center! Our host city, beautiful San Antonio, is the ideal location to hold NAPNAP's 33nd Annual Conference on Pediatric Health Care. We invite you to join your colleagues for the educational programs and networking events that will make "New Frontiers in Child Health" a premier professional forum.

The conference, which begins on Wednesday, March 28 and wraps up on Saturday, March 31, addresses a variety of current topics that have an impact on your practice. With a variety of topics including primary care, acute care, pharmacy, mental health, and more making this conference a unique educational opportunity for all pediatric health care providers. We are especially pleased to feature keynote speakers who each address an essential component necessary to achieve our mission — promoting optimal health for children through leadership, practice, advocacy, education and research. Ample forums to learn about the business of NAPNAP, the future of PNPs, health policy, and other professional issues contribute to making this a rich educational experience. We hope you will plan to attend the NAPNAP Business Meeting and the Town Hall, where you can meet your leaders and provide input into issues important to your clinical practice and educational experiences. An impressive exhibit hall is also available to explore the latest in pediatric health care and educational products. In addition, we will be holding the third annual student reception in recognition of our future NP leaders!

Each year we look forward to attending this Annual Conference because it is the only place where you can share personal and professional experiences with so many of your NP colleagues, renew and expand your national network, and meet NPs from every state who share your challenges and accomplishments and obtain over 21.0 NAPNAP Contact Hours! Since our last annual meeting the Conference Planning Committee has been working diligently to design an outstanding conference. Look through the brochure and see the stimulating topics and workshop offerings. Please join us in San Antonio as we strive to improve the quality of pediatric health care together.

Warmly,

Cheri Barber, DNP, RN, CRNP
PRESIDENT, NAPNAP

General Session Speakers

The original pioneer for advanced practice nursing, **Dr. Loretta C. Ford** is an internationally known nursing leader. She has devoted her career to practice, education, research, consultation and influencing health services, community health and military nursing. Dr. Ford's innovation led to the creation of the first PNP model of advanced practice at the University of Colorado Medical Center. Dr. Ford's advanced degrees were earned at the University of Colorado Schools of Nursing and Education. She holds Honorary Doctorates from six prestigious Universities and myriads of awards, including the Gustav Lienhard Medal from the Institute of Medicine, National Academy of Sciences, the Living Legend Award from the American Academy of Nursing, the American College of Nurse Practitioner's Crystal Trailblazer Award, the Elizabeth Blackwell Award and many others. She has authored over one hundred publications on the history of the nurse practitioner, unification of practice, education, and research, and issues in advanced nursing practice and health care. Dr. Ford will be inducted into the National Women's Hall of Fame in September 2011.

William Atkinson, MD, MPH, a Medical Epidemiologist at the National Center for Immunization and Respiratory Disease at the Centers for Disease Control and Prevention (CDC) has worked in public health his entire professional career, first with the Louisiana State Health Department in New Orleans and since 1989 with the CDC. Until1994, he was responsible for measles surveillance and outbreak investigations for the National Center for Immunization and Respiratory Disease. Since 1995 his principle responsibility has been to develop technical and training materials for immunization providers. Author or co-author of 50 scientific papers and book chapters on vaccine-related topics, he has conducted more than 50 vaccine training courses, given more than 500 invited lectures on immunization, and is the principal writer and presenter for 83 nationwide satellite broadcasts on vaccine-preventable diseases.

Sonia Manzano was raised in the South Bronx where she attended the High School of Performing Arts. A scholarship took her to Carnegie Mellon University in Pittsburgh, and in her junior year, she came to New York to star in the original production of the off-Broadway show, Godspell. Within a year Sonia was cast as "Maria" on Sesame Street. After ten years as an actress, Sonia began writing scripts for the series and has fifteen Emmy Awards as part of the Sesame Street writing staff. Sonia also wrote for the Peabody Award winning children's series, Little Bill, for Nickelodeon and for a short time wrote a parenting column for the Sesame Workshop web site called Talking Outloud. She returned to the New York stage starring in The Vagina Monologues and The Exonerated. Her first picture book *No Dogs Allowed!* was published in April 2004 and was turned into a musical which was presented by the Actor's Playhouse at the Miracle Theater in Coral Gables, Florida in June 2006. Her second book, *A Box Full of Kittens* was published June 2007.

Bryan S. Vartabedian, MD, FAAP is Assistant Professor of Pediatrics at Baylor College of Medicine in Houston and attending physician, one of the few pediatric gastroenterologists, at Texas Children's Hospital, America's largest children's hospital. Dr. V. has made a living providing practical and realistic solutions to the nutritional problems of his patients. He is certified by the American Board of Pediatrics in both General Pediatrics and Gastroenterology and Nutrition. He has written for American Baby and Parenting on children's health issues and is the author of *Colic Solved.* In addition, Dr. V. has an interest in the evolving role of social media in health care. Since 2006 he has been an active participant in the medial blogosphere and currently writes and thinks at 33Charts.com. He has addressed the American Medical Association, the American College of Physicians, the American Telemedicine Association, the Texas Medical Association and the American Gastroenterological Association on issue of MDs in the social media space. He maintains an active presence on a variety of social networking platforms and in between patients you can follow him on Twitter.

Texas First Lady Anita Perry *(Invited)**

Anita Thigpen Perry is a native Texan dedicated to improving the health of her state, preserving its culture and promoting its outstanding business climate. Mrs. Perry worked as a nurse for 17 years in surgery, pediatrics, intensive care, administration and teaching. Her advocacy for the profession has been recognized by Texas Tech University and two endowments are set up in her name: The Anita Thigpen Perry Nursing Excellence Scholarship at West Texas A&M University, and The Anita Thigpen Perry Endowment at the University of Texas at San Antonio. In 2000 she created an empowering and educational event, the annual Texas Conference for Women, which brings together more than 7,000 women from across the state. Mrs. Perry earned a bachelor's degree in nursing from West Texas State University, now West Texas A&M University, and a master's degree from the University of Texas Health Science Center in San Antonio.

Intensive Workshop Pre-conference Registration

Tuesday, March 27

8:00 am – 4:30 pm (7.0 contact hours)
001: Pharmacology Update Rx
Teri Moser Woo, PhD, RN, CNL, CPNP
An inclusive update of current pediatric prescribing recommendations – A must for all prescribing NPs! Developmental pharmacology and evidence-based practice guidelines will guide this day of fast paced, practice-based pharmacology. An extensive review and update will provide the participant with an improved understanding of therapeutic benefits, as well as potential risks of medications prescribed for children, including efficacy, safety and prescribing recommendations. Current FDA Alerts and issues that every pediatric HCP needs to know will also be covered. (Session limited to 100 participants. Additional registration fee of $100 is required. Lunch is on your own.)

8:00 am – 11:00 am (3.0 contact hours)
002: Minor Office Procedures
Denise Ramponi, DNP, NP-BC, FAEN and Norma Alvarez, DNP, NP
An opportunity to perform a variety of minor office procedures in an interactive, hands-on workshop. Topics will include management of nursemaid's elbow, release of subungual hematoma, drainage of paronychia, splinter removal, hair-thread tourniquet removal, tick removal, fish hook removal, cerumen removal, management of tooth fracture, administration of local anesthesia, digital blocks, incision and drainage of abscesses, resection of ingrown toenail, and removal of foreign bodies. (Session limited to 30 participants. Additional registration fee of $100 required.)

9:00 am – 4:00 pm (5.5 contact hours)
003: Spanish for Pediatric HCPs
Barry Browne-Carstetter
Rapid Spanish is Fast, Fun and Easy! Gain the language skills you need to communicate with patients and their families whose only language is Spanish. Accelerated Learning also called "Superlearning" promotes long term memory through the usage of "true-to-life" dramatized situations. Various aspects of the method include: relaxation, games, role play, costumes, props, music and lots of laughter. The pediatric health care script dialogues will be based on real dialogues that PNP members have shared with us, including a pediatric well care visit, a pediatric illness visit with questions about symptoms, and other patient education situations. Through these dialogs you will also learn common phrases use in pediatric health care and more. Class materials, notebook and CD and/or tape program excellent for self study. (Session limited to 48 participants. Additional registration fee of $125 is required. Lunch is on your own.)

9:00 am – 5:00 pm (6.5 contact hours)
PNCB Exam Item Writer's Workshop
Adele Foerster, MSN, CPNP and Cathy Haut, DNP, CPNP-AC, CCRN
Offered by the Pediatric Nursing Certification Board (PNCB), this workshop is targeted for both PNCB-certified Primary and Acute Care PNPs who are actively involved in clinical practice more than 20 hours per week and are willing to share their clinical expertise to create test items. Selected participants will complete an item writing assignment prior to the workshop and will continue in an Item Writer role over a two-year period with annual assignments. In exchange for a completed assignment and attendance at the workshop, the PNCB will provide all meals during the meeting and an honorarium of $250.00. Selected participants will also earn CE credit (NAPNAP Agency #A-01) and additional recertification benefits. Apply to learn how to write psychometrically sound exam items in a fun environment! (Session limited to 30 participants. Registration is through the PNCB. To apply or for additional information, please contact Lesley Lightfoot at llightfoot@pncb.org.)

1:00 pm – 3:00 pm (2.0 contact hours)
004: Orthopedic Radiology Fracture Case Studies
Katherine Shannon, MSN, APRN, PNP-BC
Learn to interpret x-rays of patients with various fractures as well as interpretation of healing and remodeling unique to children. Interactive case studies will allow participants to analyze and make diagnosis of fractures of long bones and joints, including Salter Harris classification (growth plate fractures). (Session limited to 60 participants. Additional registration fee of $30 required. Participants who register for Sessions 004, 007, and 009 receive a $15 Radiology IWS track discount).

1:00 pm – 4:00 pm (3.0 contact hours)

Melinda DeSell, MS, CRNP
Using a state of the art otoscopy simulator, participants will participate in a hands-on evaluation of the ears. Cases will be presented, followed by an examination of the ear, and formulation of a diagnosis. Participants will have the opportunity to view common and not so common ear disorders. Discussion will help accuracy of diagnosis, guide work up and referral. (Session limited to 30 participants. Additional registration fee of $75 required.)
NAPNAP acknowledges Otosim for providing equipment for this session.

Saturday, March 31

2:00 pm – 4:00 pm (2.0 contact hours)
015: The How 2's of a Preparticipation Physical Evaluation: It's More Than Just a Hop Away
Jan Odiaga, DNP, APRN, CPNP and Peggy Richard, APN, CPNP
Targeted towards those who care for the athletic children and teens in a primary care setting, school based clinic or work with children who have special needs. A practical, skills focused workshop with a head to toe systems based physical exam, including an extensive focus on the musculoskeletal system. Discuss the ever changing issues of sports participation, injury prevention and sport safety. Learn the appropriate evaluation of dysrhythmias and near syncope in an adolescent athlete. Learn how to use screening tools and school forms. Additional information and guidelines for when to return to sports, the female athlete and special needs athletes will be discussed. Participants are encouraged to purchase *PPE, Preparticipation Physical Evaluation*, 4th ed., American Academy of Pediatrics (Available through registration). Participants should bring their stethoscopes and wear comfortable clothing. (Session limited to 60 participants. Additional registration fee of $50 required.)

2:00 pm – 5:00 pm (3.0 contact hours)
016: Pediatric Dysrhythmias
Leanna Miller, MN, RN, CCRN-CSC, PCCN-CMC, CEN, CPNP
An overview of the normal 12 lead EKG with a systematic approach to interpretation will be presented. Once participants are comfortable with the normal 12 lead EKG, a detailed review of various pediatric dysrhythmias with their management will be presented. Case studies will be used to assist the participant in application to clinical practice. (Session limited to 40 participants. Additional registration fee of $25 required.)

013: PNP Certification Review Course — Primary Care

Saturday, March 31 ∗ 7:45 am (Registration) – 5:00 pm
Sunday, April 1∗ 8:00 am – 5:00 pm

This two-day course is designed to help you prepare for — and pass — the national pediatric nurse practitioner certification examination, whether you are taking the exam offered by the Pediatric Nursing Certification Board (PNCB) or the American Nurse Credentialing Center (ANCC). The review course will cover major theories of growth and development, diagnosis, treatment modalities, and interventions of common pediatric illnesses, health care policy issues and more. An audience response system for practice exam questions will help you identify and analyze strengths and weaknesses. The organized approach will improve retention and recall, while test-taking strategies will help you succeed.

Sonia Manzano
"The world has certainly changed since Sesame Street was first aired in 1969. At that time we strived to give children a basic understanding in how the world worked, so that they could grow up and help create the world they wanted to live in. Since the tragedy of 9/11 we have come to the conclusion that we should prepare them for the world as it is."(Manzano) Join Sonia Manzano for a tour of the ways that responsible adults are meeting the emotional needs of children through books, television and the Internet. She will remind us of the important role we play and provide us with tips on how to empower children with the knowledge and self-confidence they need in today's world.

Conference Schedule
NAPNAP's 2012 conference schedule is designed to facilitate the inclusion of a full range of educational offerings and networking opportunities. Please self-tailor your conference schedule to meet your own professional and personal interests. You will note that several SIG meetings and other committee business meetings may run consecutively with concurrent sessions.

Please register for only one event during each time period. The opening general session will be held Wednesday, March 28 at 10:15 am. The conference will end at 1:00 pm on Saturday, March 31.

Continuing Education Contact Hours and Pharmacology Hours
Participants who attend all conference sessions (including optional sessions) can earn more than 21 NAPNAP contact hours. All sessions will be reviewed and assessed for pharmacology (Rx) content. Final Rx hours will be published in the program book. Contact hours are awarded only for sessions that you attend.

- Wednesday, March 28
  5.0 contact hours
- Thursday, March 29
  5.0 contact hours + 1.25 optional contact hours
- Friday, March 30
  5.0 contact hours + 1.5 optional contact hours
- Saturday, March 31
  3.0 contact hours + 1.0 optional contact hour

Intensive workshop sessions have additional contact hours as listed in the course descriptions.

CE Disclosure Statement
NAPNAP is the CE provider for this event. In order to assure that all educational activities have balance, independence, and objectivity, all speakers are required to disclose to participants the presence of significant relationships with commercial companies. Each speaker's conflict of interest is resolved on an individual basis. Additionally, all those involved in the planning of, or those who are in a position to control the content of the conference must disclose all relevant financial relationships with any commercial interest. NAPNAP is responsible for ensuring that learners are aware of commercial support provided in the form of educational grants and any relevant financial relationship(s). A listing of faculty disclosures will be included in the speaker's slide presentation and will be listed in the conference program book.

POSTERS ON THE MOVE

NAPNAP is pleased to offer both Research and Practice Innovation Posters on a rotating basis throughout the conference. Presenters will be on hand to discuss their posters and answer questions during the following times:

- Wednesday March 28, 12:00 pm – 1:00 pm
- Thursday March 29, 1:00 pm – 2:00 pm
- Friday March 30, 9:00 am – 10:00 am

International Board of Lactation Consultant Examiners
Application for Continuing Education Recognition Points (CERPs) has been submitted by NAPNAP to IBLCE for concurrent session 111: Breastfed and Not Thriving: What To Do? This session is not yet approved for CERPs.

Florida Board of Nursing
NAPNAP is approved as a provider of nursing continuing education by the Florida Department of Health, Division of Quality Assurance, Board of Nursing Accreditation (CE Provider #: 50-8626).

Session Selection/Overlapping Events
Opening, General, and Closing sessions are intended for all audiences. Full descriptions for concurrent sessions are available online. Some conference sessions/events may overlap with other conference activities, providing you with the opportunity to select the activity that is most appropriate for you. We realize that each participant has different educational, networking, and professional needs so a variety of options are available for you to choose from. Select the conference activity that will best meet your needs. Please register for ONLY ONE event during each time period.

Optional Educational Sessions
Optional sessions provide early risers the opportunity to attend an extra educational session.

Ancillary Events
We have invited several industry partners to offer additional ancillary education programs. Monitor NAPNAP's website for updates. Additionally, the industry sponsor may mail program announcements and registration information to registrants as the conference date approaches.

Photograph Release Statement
NAPNAP will take many digital photographs at numerous events throughout the conference. The photographs may be used for NAPNAP's newsletter, publications, media releases, NAPNAP brochures, and on the NAPNAP Website. NAPNAP does not intend to use these photographs in any manner other than for the purposes stated above. Please indicate your permission for NAPNAP to use your photograph in this manner during your online registration process or by signing the photograph release statement on the registration form. If you do not indicate your preference, we will assume you DO give your permission.

Registration
Please register online at www.napnap.org. If online registration is not an option, you may mail or fax the paper registration form on the inside back cover.

Conference registration fees vary depending on when you register as indicated on the registration page of the brochure. Please note discounted registration fees are available for those who register prior to February 1, 2012.

Registration Confirmation
If registering online you will receive an electronic confirmation upon completion of the registration process. We recommend you print your confirmation prior to logging out. If registering by fax or mail, you will receive an e-mail or written confirmation within 10 days of receipt of PAID registration. No registrations are processed without payment. If you have any problems or questions or do not receive your confirmation as indicated above, contact the Registration Department at 877-369-0994 or conferencereg@napnap.org. Please review your confirmation carefully. It will include a list of sessions in which you are enrolled. You are enrolled only in those sessions listed in your confirmation letter. Registration is not guaranteed until you receive confirmation and your fees are paid in full. If your employer pays your conference registration for you, NAPNAP strongly encourages you to register online early and then use your registration receipt for employer reimbursement. This will ensure that you are registered before your preferred sessions are full. If financial difficulties are making it challenging for you to attend the conference, please notify Dolores Jones at djones@napnap.org.

Do not make travel arrangements prior to receiving confirmation.

Daily Registration
If you cannot attend the entire conference, one-day or two-day registration fees are available. See the registration form for daily rates.

Student Registration
Students are eligible for a reduced student conference registration if they are eligible for a NAPNAP student membership or NAPNAP doctoral student membership.

- NAPNAP Students are in their first Nurse Practitioner/CNS program and if they are registered nurses currently enrolled in an approved program whose graduates may become active members.
- NAPNAP Doctoral Students are Professional NPs, already eligible for active NAPNAP Membership, currently enrolled in any doctoral program.

Students must verify their student status by one of the three methods: 1) Provide your NAPNAP Student Member number, 2) Submit a valid student ID, or 3) Submit a letter from the Program Director on official institution letterhead that validates status as a NP, CNS student or doctoral student. Registration will not be processed without verification. Please see the registration form for student registration rates.

Scholarship Information
The NAPNAP Foundation is pleased to offer three Reckitt Benckiser $1,600 scholarships for NAPNAP's 2012 annual conference. Two scholarships are designated for student members and one is designated for a full active NAPNAP member. The postmark deadline is November 2, 2011. For additional information visit www.napnap.org.

Intensive Workshops

Preregistration is required for intensive workshops (IWS). (On site registration for these sessions will be done only if there are openings). You must attend one full day of the conference in order to register for an IWS, except for the certification review courses or the Childhood Obesity Pre-conference. Class size for all IWS sessions is limited and the demand is high. Please register early. Sessions are filled on a first-come basis.

Walk-in Registration

If space is available, we will accept walk-in registration at the conference. Since sessions fill quickly, we ask that you call the Conference Registration Department at 877-369-0994 or e-mail conferencereg@napnap.org before you come to the conference to check on session availability.

Any cancellation must be received in writing prior to March 21, 2012

Cancellation Policy

In case NAPNAP should find it necessary to cancel this conference for any reason including, but not limited to registration responses, strikes, or acts of God, liability shall be limited to a full refund of registration fees. Notification of a cancelled conference will be mailed at least 15 days prior to the starting date of the conference when possible. Registration refund will be mailed within 15 days after conference date.

Refund Policy

We will be happy to refund your registration fees if your cancellation is received in writing via mail, fax or email to: NAPNAP Registration, 20 Brace Road, Cherry Hill, NJ 08034; email to: conferencereg@napnap.org or fax: 856-857-1600, before March 21, 2012. NAPNAP does NOT accept telephone cancellations. A $35 administrative fee will apply to all refunds.

There are NO refunds for cancellations received after midnight of March 21, 2012. There are NO refunds for cancellations of certification review courses or intensive workshops after March 1, 2012 (No exceptions.) No-shows will NOT be refunded.

Guests

Guests or spouses may be registered as a "guest" for $75. This allows the guest to attend the exhibits, Opening Reception, Awards Breakfast, and the Opening Keynote. Please note that a special $25 guest fee is available for children aged 13 –18 years to allow access to the exhibit hall only. This option is available on site only.

Conference Location

The conference will be held at the Henry B. Gonzalez Convention Center, 200 East Market Street, San Antonio, TX, 78205. NAPNAP's registration will be located in the West Registration area on the street level. Although all exhibits and most educational sessions will be held in the convention center, overflow events will be scheduled in the Grand Hyatt.

NAPNAP Conference Hotels

NAPNAP is offering an incentive to all conference registrants who stay within the NAPNAP room block. The incentive packages are described below. Each incentive is per room, per night. (This incentive is not available to exhibitors).

Why stay at the conference hotel?

It's the center of conference activity, that's why! You'll be able to network easily with other conference attendees. It's a quick walk from both hotels to the conference events, and just as quick to zip back to your room for a break. You'll have a better conference experience.

But there are other reasons that you need to consider before you look at another hotel. Everyone enjoys meeting in a comfortable conference venue, offering quality service and support for workshops, educational sessions, and exhibits. In exchange for that service and support, and for discounted room rates, NAPNAP guarantees that a percentage of attendees will stay in the contracted conference hotels. If NAPNAP does not meet the contracted sleeping room commitment, we are responsible for the rooms, which can cost NAPNAP thousands of dollars. Additionally, when looking for our next conference venue, we can negotiate a better deal if our room block has been satisfied.

Yes, on occasion, you may be able to find a cheaper hotel rate on the internet. The hotel may offer a few rooms in their inventory at a lower price than the conference is offering. There are often restrictions and penalties associated

**Parking rates are subject to change.

Your coffee gift card incentive will be handed out by the hotel staff when you check-in at the hotel. It is YOUR responsibility when checking in to remind the hotel staff that you are with NAPNAP and that you should receive your gift card. If more than one person is checking into a room, the gift card will be handed to the first person who checks in. Roommates are responsible for sharing the incentive packet. The hotels will not be issuing any gift cards at any other time besides the initial check-in.

The drawings for both the Hyatt stay and the complimentary registration will take place approximately one month after the conference after the final hotel rooming lists have been audited.

You must have your room booked under the NAPNAP room block to receive the incentive.

To receive the conference rate, make online hotel reservations directly through a link on the NAPNAP conference website www.napnap.org.

Reservations made after March 2, 2012 are NOT eligible for the incentive program and subject to space and rate availability.

General Information

Take advantage of online registration to ensure session availability.

with these rates. If you somehow obtain a better rate than the one offered by the conference, let us know so that your stay can still be counted toward our required room block.

Please support the conference by staying at the conference hotel!

San Antonio Visitor Information

Visit www.visitsanantonio.com to read the latest information about San Antonio.

San Antonio is easy to get to and easy to get around.

- By Air - San Antonio's central location makes it a convenient destination from both the east and west coasts and the airport only 8 miles from downtown.
- By Car – San Antonio is centrally located in south-central Texas, only 1.5 hours from Austin, 3.5 hours from Houston and 4.5 hours from Dallas/Fort Worth. Please visit the Henry B. Gonzalez Convention Center website for directions and parking maps at

There is no onsite parking directly in the convention center.

On site parking is not available at the convention center so if you are going to driving on a daily basis you will want to use the Riverbend Garage, on the corner of Alamo and Market Street, which is the closest parking to NAPNAP's events which are held in Exhibit Hall A and Ballroom A.

Fly American Airlines and save!

American Airlines is offering NAPNAP conference attendees a **5% discount** off of travel to and from San Antonio. Discount rates are valid from March 21 - April 5, 2012. Just purchase your ticket online at www.aa.com and enter **Promotion Code:** 7232BL at check out.

Getting to and from the airport

- Taxi - The San Antonio International Airport is only about 8 miles from downtown or about a 15-minute taxi ride. Two to six people ride for the price of one. Large minivans are also available and can transport up to seven passengers downtown.
- Shuttle - Book an airport shuttle in advance to purchase tickets at the airport. SATRANS, the city's official airport shuttle, between 7:00 am and 1:00 am daily. For more information, call 210-281-9900, or visit www.saairport-shuttle.com.

Getting around downtown

- Streetcars – The open-air streetcars are authentic reproductions of those that traveled the streets of San Antonio more than 50 years ago. The downtown streetcar station at Convention Plaza provides convenient access for NAPNAP conference attendees.
- River Taxi - The river taxi service stops at approximately 40 spots along the River Walk for a unique way to get from place to place. Drivers have tickets on board or you may purchase them at any ticket location.
- Sightseer Bus - The Sightseer Special (Bus 7) runs daily among the city's favorite sites including the Henry B. Gonzalez Convention Center.

Share a Ride, Share a Room!

Don't let a sluggish economy stop you from attending. Sharing expenses with a colleague can make the NAPNAP conference very affordable! How about saving money by riding with a colleague to San Antonio (Road Trip!), or at least sharing a taxi ride or rental car from the airport? Sharing your hotel room also can mean big savings! Visit the NAPNAP Conference Web site to connect with other attendees who want to share their travel costs or share hotel accommodations:

- Login to www.napnap.org with your Member Number and Password.
- Click on the Share a Room, Share a Ride! Button on the homepage
- Click on "Join Community" to join and then post messages about where you're coming from, what you're looking to share, etc. Make sure you provide your contact information so interested members can respond.

Weather/Dress

San Antonio is a highly "walkable" city! With 300 days of South Texas sunshine a year – and average annual rainfall of less than 30 inches – San Antonio is an ideal destination. If you decide to stay at the Hyatt Regency, you will not only have views of the Alamo and downtown but also the pleasure of walking along the River Walk to get to the convention center.

We suggest that you check the forecast before traveling. NAPNAP monitors the session rooms to ensure that the temperature is comfortable. Nevertheless, temperature in conference rooms tends to fluctuate throughout the day. Please remember to bring a sweater or something that you can remove if the conference room is not the "right" temperature for you. We also suggest you bring COMFORTABLE WALKING shoes for your conference activities.

Children at the Conference

Due to the nature of the professional educational programs, we recommend attendance in sessions by children be limited to quiet infants and non separating children. Space will be available at the back of room for parents with babies and children. We ask that mothers be sensitive to any situation, including happy baby noises as it may break the concentration of those attending the session. Your consideration of other attendees is truly appreciated.

Children in the Exhibit Hall

Children under the age of 13 years are not allowed to enter the Exhibit Hall. Infants in backpacks or carriers are permitted; strollers are NOT permitted in the Exhibit Hall. Children ages 13 years and older must be registered as guests ($25) in order to accompany an adult into the exhibit hall. This policy has been established for the safety of the children of NAPNAP members and other meeting attendees. Your support and compliance are appreciated.

Breastfeeding Lounge

Thank you Medela! A comfortable room, fully equipped with the necessary supplies will be available for nursing families from Wednesday-Saturday. Lactation experts from the Breastfeeding Education SIG will be available for consultation if desired. To ensure we have adequate space and supplies, please verify if you will be using the breastfeeding lounge on the registration form.

Social Media

Follow NAPNAP on Facebook and Twitter! Be the first to know about conference updates, news related to PNPs and information about NAPNAP. Share your conference experience with other attendees and include your thoughts on topics posted. Visit www.facebook.com/NAPNAP1973 for more information.

Tax Deduction

All expenses of continuing nursing education (including registration fees, travel, meals, and lodging) taken to maintain and improve professional skills may be tax deductible. Please consult your tax advisor.

VIPs Needed (Volunteers: Interested and Participating) – We count on you!

Become more involved in the conference, meet new people, and network by serving as a VIP. VIPs are needed to assist with monitoring and moderating the educational sessions.

- Moderators introduce the speaker(s), assist in managing the session time, make general announcements and check that the audio visual equipment is ready for the speaker(s).
- Monitors welcome participants to the session and check their badge to be sure that they are registered for the session.

When you register online you will be asked if you would like to serve as a VIP. Consider your schedule when you reply. While we encourage you to volunteer, please know that we really count on you.

EXHIBIT HALL

Numerous booths representing many products and services as well as associations and hospitals will be in the exhibit hall. There will be a wide variety of representatives from many facets of pediatrics to talk with you and show you their materials. To see a list of exhibiting companies, please visit NAPNAP's website at www.napnap.org. NAPNAP will offer an electronic lead retrieval service at the conference. Your badge will contain a scan code that exhibitors can scan at their booths to collect your information if you desire.

South Alamo Chapter

A special thank you to Cathy Woodward, Jennifer Joiner and all the members of the South Alamo Chapter for their assistance and participation in NAPNAP's 2012 conference!

Not a NAPNAP Member?

If you would like to become a national member of NAPNAP please call the national office at 856-857-9700 or visit our website at www.napnap.org

Handouts

In a continued effort to be environmentally conscious and better manage resources, NAPNAP will host a semi-paperless meeting. All available speaker presentation materials will be posted on NAPNAP's website, starting one month before the conference until one year after the conference. Speakers prefer to provide the most current and up to date information available so you may notice that some of the material is not posted until a few days before the conference. Information about accessing the handouts will be included in your registration confirmation. The website will be updated with the newly submitted material on a regular basis. There will not be a printer available in San Antonio to print handouts. If you wish to take notes on handouts, please print up the handouts prior to traveling to the conference. NAPNAP posts the handouts as soon as the faculty member provides them. If a session does not have handouts it means we have not received them from the faculty member.

No-Solicitation Policy

In order to protect our attendees and to provide a distraction-free environment, we do not allow solicitation by attendees or unauthorized parties without the express written permission of NAPNAP. This policy includes, but is not limited to the following unauthorized activities:

- Unauthorized receptions and parties (including off site events)
- Unauthorized access of participant for research/survey purposes
- Unauthorized promotion of non-NAPNAP events
- Unauthorized on site distribution of printed or electronic materials including literature, signs, flyers, invitations, tickets, forms, etc. (except business cards)
- Unauthorized solicitation of any type of donations

Any person and/or organization found to be violating this policy may be expelled from the event. No refunds.

Exhibitors or sponsors found to be violating this policy agree to pay NAPNAP the equivalent fee stated in NAPNAP's Exhibitor Extra published rate schedule for exhibit space and/or sponsorships and may be expelled from the event.

Updated Information

All conference information is as of October 1, 2011 – subject to change. We strongly encourage you to visit the NAPNAP website (www.napnap.org) for regular updates on conference activities, such as optional outings, speaker updates, travel information and more.

Register Online at www.napnap.org for immediate confirmation.
