Client Testimonial

"Heather is a great Interior Designer with creative and innovative ideas to transform your space. She is very detail oriented, always wants what's best for the client & will make sure the job is done right. She has worked on numerous types of projects throughout her career so there is no project too large or too small that Heather can't design. She's amazing!"

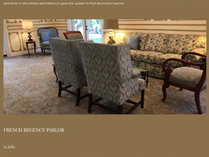
STEAMPUNK CHIC

Santa Maria

The client wanted a home decor reminiscent of a steampunk concept. This concept was brought to life by the use of the color scheme of different shades of white and gray. Dark substantive accents were used to complement the interior spaces and dramatic and light fixtures and mirror in the kitchen and bathroom gave the updates to that decorative touches.

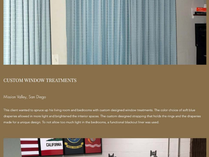


FRENCH REGENCY PARLOR

La Jolla

The client had an unused interior space in a senior living facility that they wanted to be developed into a common area for residents to come together to do activities and encourage socialization.

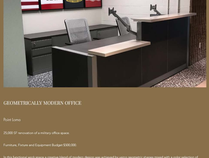
An elegant French regency style was selected to complement the existing plaster adornments.



CUSTOM WINDOW TREATMENTS

Mission Valley, San Diego

The client wanted to upscale all the living rooms and bedrooms with custom designed exterior treatments. The color choice of soft blue drapery allowed a more light and brightened the interior space. The custom designed drapery that holds the rings and the drapeme made for a unique design. To not allow too much light in the bedrooms, a functional blackout liner was used.



GEOMETRICALLY MODERN OFFICE

Point Loma

30,000 SF renovation of a military office space.

Furniture, Fixtures and Equipment Budget $300,000

In this functional work space a creative blend of modern design was achieved by using geometric shapes mixed with a color selection of bright greens and blues. The new interior design was layered into the existing structure and room layout.

SIMPLY TRADITIONAL KITCHEN REDESIGN

De Anzola Mission Valley

A coved ceiling in the space was implemented, utilizing lighter tones of the color scheme of white and yellow, matched with neutral gray and cream granite, White Carrara countertops, pale yellow subway tile, with a soft gray traditional shaker cabinet and a contrasting brown from brought the design together.

The kitchen area was transformed into a more functional space with the addition of a large kitchen island.

MODERN CHIC SENIOR LIVING CARE RESIDENT WING

De Anzola Mission Valley

10,000 SF Resident Room Wing Remodel

Fresh upscale to existing resident room wing featuring functional design elements, such as eye-finding floor tiles.

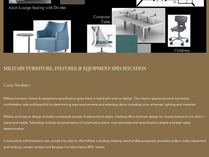
MILITARY FURNITURE, FIXTURES & EQUIPMENT SPECIFICATION

Camp Pendleton

Military furniture, fixtures & equipment specification goes hand in hand with interior design. The interior spaces become functional, comfortable, safe and enhanced by determining what equipment and furnishing items are needed, such as lockers, lighting and mattresses.

Military work space design includes conceptual layouts, functional block plans, rendering office furniture design for layouts based on the client's wants and needs. Submittals include documentation of construction plans, cost estimates with specifications sheets and final value determination.

Construction administration also comes into play for this military, including creating merchandise proposals, purchase orders, order placement and tracking, vendor contact and Requisition For Information (RFI) review.



RETAIL

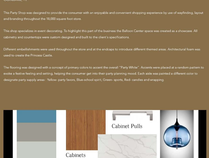
Gainesville, FL

The Party Shop was designed to provide the consumer with an enjoyable and convenient shopping experience by use of exhibiting, layout and focusing throughout the 10,000 square foot retail space.

The shop specializes in event decorating. To highlight the part of the business the Balloon Center space was created as a showcase. All cabinetry and countertops were custom designed and built to the client's specifications.

Different exhibitions were used throughout the store and all of it exchange to introduce different themed areas. Architectural foam was used to create the Princess Castle.

The flooring was designed with a concept of primary colors to accent the overall "Party Mood". Accents were placed at a random pattern to create a fashion feeling and coming, keeping the consumer get into the party planning mood. Each area was painted in different tones to designate party supply areas. Yellow: party favors, Blue:school sort, Green: sports, Red: candles and wrapping.



MIDCENTURY MODERN RESIDENTIAL WORK IN PROGRESS

La Jolla

This vintage mid-century modern home needed a fresh and layout that updated the design of its inner spaces while staying true to the time period while bringing it into the new millennium.

By updating the interior floor plan to provide a better workflow and replacing worn finishes this mid-century home's decor regained its nostalgic quality.

ORGANICALLY VIBRANT MCKINLEY ELEMENTARY LIBRARY - WORK IN PROGRESS

South Park

After joining the Punch Teacher Club at her daughter's school, it was discovered that they were recycling to underpay the money. Heather decided to volunteer her time, skills and resources to help. She is one of Heather's favorite and fulfilling projects that she is working on because it incorporates the current students and staff and will be passed on to future generations of McKinley staff & students.

The public school library was in dire need of a remodel due to remaining the same since the 1970's. In order to make a more dynamic space, the use of a fun, specific color scheme mixed with organic furniture shapes will lure the students' excitement for learning.
